Dear Mr. Hoover:

Enclosed is a print of the late Senator Robert F. Kennedy taken by the writer at Disneyland only 48 hours before his tragic death.

Several friends have suggested that the gent in the foreground on the right bears a remarkable resemblance to the accused assassin Sirhan Sirhan. I keep saying to myself that this is a wild notion, but I thought I had better send the picture on to you, nevertheless, for whatever it might be worth.

Cordially yours,

File 8-507-C

DETAILS: At Los Angeles, California.

On January 25, 1966 an individual identifying himself as FRANK DONNARUMMA came to the TRPB fingerprint office at Santa Anita and asked to be fingerprinted in connection with his request for stable credentials and a TRPB identity card. Subject furnished the following information:

Employer:	Granja Vista Del Rio, Corona, Calif.
Permanent Address:	13200 Citrus Avenue, Corona, Calif.
SSN:	[REDACTED]
Sex:	Male
Race:	White
Age:	34
Date of Birth:	3/25/32
Place of Birth:	Bronx, New York
Citizenship:	U.S.
Height:	5'7"
Weight:	130#
Hair:	Brown
Eyes:	Blue
Scars & Marks:	None
Arrests:	None

He was then fingerprinted and issued a TRPB identity card #032532.

On February 1, 1966 subject returned to Santa Anita and contacted Investigator Clifford Smith, who is handling the fingerprint program. On this occasion subject was accompanied by BERT ALTFILLISCH, whom he identified as his employer. Subject said he wanted to correct the information which he had submitted with the fingerprint application on January 25th. Subject said his true name was HENRY DONALD RAMISTELLA; and that the physical description and other information he furnished were correct. He said he had used the name of FRANK DONNARUMMA since about 1960, and that he had been married under that name. Subject said the reason he adopted the name of DONNARUMMA was because he had ridden as a jockey in the East for several years, and while at Garden State Park in 1957 he was set down for 60 days for inconsistent riding. Subject said since that time he has never been employed at any race track. Subject also disclosed he was arrested in New York during 1957-58 for grand larceny by trickery (touting) for an amount exceeding \$3,500, and was given a suspended sentence. Subject also stated during 1958 in New York he was arrested with 6 others including jockey WALTER BLUM for possession of marijuana. Subject said he pleaded guilty and was given a 30-day suspended sentence. He said BLUM pleaded not guilty and his case was dismissed. Subject also added that in 1958-59 he was arrested for consorting with known criminals, and this charge was subsequently dismissed.

Mr. ALTFILLISCH, subject's employer, said subject had confided in him regarding the fictitious name and record. Mr. ALTFILLISCH said subject had been employed by him for about a year, and that he was a competent and reliable ranch hand. ALTFILLISCH said he wanted RAMISTELLA to be able to go to Santa Anita to solicit horses for his ranch. Mr. ALTFILLISCH said he has approximately 50 head of horses in training at the present time. ALTFILLISCH also mentioned that he was a licensed horse owner and that he had one of his horses racing at Santa Anita at the present time, which was being trained by LLOYD WALKER. ALTFILLISCH said he wanted to start RAMISTELLA off on the right foot, and when he learned that he had been fingerprinted under a name other than his own, he came with him to the track

Los Angeles
File 8-507-C

to correct the records. RAMISTELLA then surrendered the TRPB card issued to FRANK DONNARUMMA, and also his stable credential card.

Mr. ALTFILLISCH gave Investigator Smith two personal cards, one showing the name of Altfillisch Construction Company, 1180 West Imperial Highway, La Habra, California, which was Mr. ALTFILLISCH's personal card. The other card showed the name of Granja Vista Del Rio, Box 159B, Route 1, Corona, California, which was Mr. ALTFILLISCH's ranch.

On February 1, 1966 Investigator R. B. Meyhaus checked the CHRB under the name of FRANK DONNARUMMA and could find no record. There were references to HENRY RAMISTELLA showing that on August 19, 1954 at Narragansett Park, Rhode Island, RAMISTELLA was suspended for the balance of the meeting for careless riding. There was also an entry dated May 26, 1955 at Garden State Park showing RAMISTELLA was suspended for 30 days for an unsatisfactory ride on the horse "PUT OUT" in the 3rd race May 17th.

The Los Angeles files of TRPB under dated of May 31, 1955 show a Stewards' ruling at Camden, New Jersey, as follows:

"Jockey HENRY RAMISTELLA, presently under suspension, is suspended indefinitely and his case referred to the Racing Commission."

Investigator Meyhaus verified that ALTFILLISCH was licensed. The records show Mr. ALTFILLISCH has owner's license #4281 dated January 18, 1966. There are no rulings on file for Mr. ALTFILLISCH, and he was also licensed as an owner in 1965. He was first processed on July 30, 1959 at the San Mateo County Fair.

The New York office of TRPB was asked to furnish any information in their files on the background of subject. As a result, a summary report was furnished, a copy of which is attached to this report.

On September 19, 1967, Mr. Martin Cruikshank of the Bank of America, telephone 683-3591, called the writer regarding any current information on the whereabouts of a FRANK DONNARUMMA, who had bought a 1962 Lincoln Continental and financed it through the Bank of America. Mr. Cruikshank said subject had defaulted in his payments and the bank was trying to recover the car. Mr. Cruikshank said the license number on the car was California GHH 895. He also mentioned subject gave his address when he bought the car as 13200 Citris St., Corona, California. TRPB files showed the latter address was given by subject when he was fingerprinted at Santa Anita in 1966 and later admitted his right name was HENRY DONALD RAMISTELL. He was denied credentials because of a suspension in New Jersey.

A check with the California Horse Racing Board, revealed no additional information. The above checks were relayed to Mr. Cruikshank who said he had been in touch with Bert Itfillisch, subject's last known employer. The latter said subject was no longer employed by him and he had heard that subject was in jail somewhere in the middle east.

SUMMARY REPORT

In view of the fact that many persons bear the same or similar names it must be remembered that the person named in the title of this report may or may not be identical with the subject of your inquiry.

On September 16, 1953 at Narragansett Park, Rhode Island, a representative of the TRPB was advised by a confidential source that Jockey HENRY RAMISTELLA was using narcotics. However, investigation failed to develop information that RAMISTELLA was in any way connected with the use of marijuana or narcotics.

In August of 1953 it was reported that Jockey HENRY RAMISTELLA at Scarsborough Downs, Maine, was allegedly fixing races with other jockeys. However, allegation was not substantiated.

On May 17, 1955, "PUT OUT", who finished third in the 3rd race at Garden State, was found to have been stimulated. This horse was trained by WALTER D. CARROLL and ridden by Jockey H. RAMISTELLA. Jockey RAMISTELLA, who had ridden "PUT OUT" regularly, and who exercised horses for CARROLL, when interviewed, denied stimulating horse or any knowledge of stimulation.

On May 26, 1955 the Stewards at Garden State had carefully and closely scrutinized recent photographs and moving pictures taken of races in which the horse "PUT OUT" ran and came to the conclusion that Jockey RAMISTELLA had given the horse "PUT OUT" an excellent ride in its races but an unsatisfactory ride on "PUT OUT" finishing third in the 3rd race May 17, 1955.

This report is furnished in strict confidence at the request of and for the exclusive use of the addressee.

On May 26, 1955 the Stewards suspended Jockey RAMISTELLA for thirty days for an unsatisfactory ride on the horse "PUT OUT" following its finishing third on May 17, 1955.

Throughout the investigation of the instant stimulation case the Stewards charged RAMISTELLA with not telling the truth when questioned. RAMISTELLA changed his story in numerous instances and finally admitted he had previously lied to questions regarding exchange of telephone calls and other messages he was to have exchanged with PAUL KARNEMIDES at the Victory Grill, Old Orchard Beach, Maine, claiming that PAUL's sister CALLIE was an ex-girlfriend of his who wanted to resume relationship with RAMISTELLA. The CALLIE girl claims she could never be considered a girlfriend of RAMISTELLA and she had not heard from RAMISTELLA for over two years.

The following rulings appear in the files of the TRPB:

Lincoln Downs, Rhode Island, March 28, 1953, Jockey RAMISTELLA is fined the sum of \$50 for failing to maintain his position after leaving the gate in the 3rd race, Friday, March 27.

By Order of the Stewards.

Northampton Fair, September 12, 1953 for crossing over sharply and causing "COTTON TAIL" to fall at the turn in the running of the 9th race of September 11, Jockey HENRY RAMISTELLA is suspended ten racing days (September 14 to September 24 inclusive).

By Order of the Stewards.

Narragansett Park, Rhode Island, August 19, 1954, Jockey RAMISTELLA is suspended for the remainder of the meeting for careless riding with "STARZ" in the run through the backstretch in the 5th race Wednesday, August 18.

By Order of the Stewards.

Garden State, New Jersey, May 26, 1955, Jockey HENRY RAMISTELLA is suspended thirty days (May 26 through June 24) for an unsatisfactory ride on the horse "PUT OUT" in the 3rd race May 17.

By Order of the Stewards.

New Jersey Racing Commission, June 10, 1955, HENRY RAMISTELLA is suspended for forty-five days (May 26 through July 9) for an unsatisfactory ride and for giving false testimony before the Stewards. The Commission ruled that he be permitted to exercise horses and he was not denied access to the grounds.

During the fall of 1955 and the spring of 1956 it came to the attention of the TRPB that the Bergen County Prosecutor's Office at Hackensack, New Jersey was conducting an investigation of SILVERIO SULPIZZO and IRVING G. LICHENSTEIN on suspicion of bookmaking. SULPIZZO was subsequently convicted of bookmaking on December 12, 1955 and sentenced to one to three years in New Jersey State Prison. The Bergen County Prosecutor's Office has been unable to make a case against LICHENSTEIN to date. However, it is known that there was telephonic contact between someone using the home telephone of IRVING LICHENSTEIN at Fairlawn, New Jersey and HENRY RAMISTELLA at Miami, Florida.

On October 1, 1956 HENRY RAMISTELLA was arrested in a rooming house at 40 Savoy Avenue, Elmont, New York, where he was residing. The charge was possession of marijuana. The subject was arraigned on October 2, 1956, pleaded not guilty and was released on \$500 bond to obtain a lawyer. The arresting officers have disclosed that RAMISTELLA has "track marks" on his forearms indicating hypodermic injections although no injectives were found in his possession. The arresting officers also noted that RAMISTELLA's wife also has the tell-tale track marks on her forearms. No charges are currently pending against RAMISTELLA's wife.

On September 3, 1956 HENRY RAMISTELLA was arrested for possession of marijuana at Jamaica, New York.

On September 28, 1956 RAMISTELLA appeared in Queens Felony Court to answer the charge against him which was made on September 3, 1956. After appearing in Court the charges against RAMISTELLA were dismissed.

On November 20, 1956 RAMISTELLA entered a plea of guilty to possession of marijuana in First District Court, Nassau County, New York. This plea arose from his arrest on October 1, 1956 at Elmont which referred to the above. RAMISTELLA was sentenced by Judge Albert Moore to sixty days in the County Jail but the sentence was suspended.

Subsequent to the above arrests, the Stewards at the New York tracks barred RAMISTELLA from employment. However, no formal ruling to that effect was issued.

HENRY RAMISTELLA was fingerprinted at Delaware Park Race Track on June 16, 1964, when he was an applicant for an Exercise Boy's license. At that time the following description was noted:

Sex	Male
Color	White
DOB	3-25-32 or 3-25-34
Height	5'6"
Weight	115 lbs.
Hair	Light Brown
Eyes	Blue
Perm. Address	775 Garden St., Bronx, New York
SS#	[REDACTED]
TRPB #	91648

In July of 1957 at Suffolk Downs Race Track, an investigation was conducted into the background of owner applicant THOMAS FRANK DENOIA and it was learned during this investigation that DENOIA had available cash of less than \$500.00 and a weekly income of \$150.00, although he claims he ran his stable from his current income. Information developed that HENRY RAMISTELLA and FRANK ACCETTA, both undesirables, were involved in the purchase of the horse "SYFE" by the applicant. DENOIA stated that one SONNY, apparently HENRY RAMISTELLA and FRANK, apparently FRANK ACCETTA introduced him to trainer CHARLIE REYNOLDS, who sold him the horse "SYFE". The applicant displayed complete lack of knowledge as to how his horse "SYFE" was shipped to New England and how his trainer ORLANDO MASSARELLI was engaged. He claimed not to have known SONNY or FRANK prior to the sale of the horse and has not seen them since. Signed statements obtained concerning the circumstances of the sale from the applicant and his brother-in-law whom DENOIA admitted, had impersonated him in the call to the TRPB were obtained and they contradict one another.

On July 18, 1957, the Stewards at Narragansett Park advised the TRPB that the ownership of the horse "SYFE" had been transferred from DENOIA to one JOSEPH ACCORDINO.

On July 16, 1957, information was received from a confidential source that the subject was arrested on July 12, 1957 in company of two admitted narcotics addicts. The charge was petty larceny. The two addicts pleaded guilty and were sentenced. RAMISTELLA pleaded not guilty and was released in \$500.00 bail. It was also learned that at the time of this arrest, RAMISTELLA was out on bail on a charge in New York City of "consorting with known criminals." It was learned that this charge against RAMISTELLA in New York City is a misdemeanor charge and that the general disposition of such a charge is a dismissal.

On July 29, 1957, RAMISTELLA appeared in First District Court in Mineola, New York to plead to the charge of petty larceny

for which he had been arrested on July 12, 1957. He appeared with legal counsel and entered a plea of not guilty and his case was set for jury trial in October. Subsequent to his court appearance, the TRPB attempted to interview the subject in the presence of his lawyer. At the outset of the interview, RAMISTELLA was questioned concerning the sale of a race horse which recently came to the attention of the TRPB. Information had been developed from three persons who were present at the sale that RAMISTELLA was also present. To the question concerning his knowledge of this sale, he immediately denied that he knew anything about the sale of the horse or that he was present when this sale was arranged. He was then told that three witnesses placed him at this sale; he then admitted that he had been lying and that he was at this sale and questioned. During this interview, he evidenced a very uncooperative attitude and stated that he was aware that he "is through" insofar as racing is concerning. With regard to his use of narcotics, he indicated that this was the result of bad company and he appeared to place full blame for his addiction on others.

An article contained in a New York Newspaper, NEWSDAY dated January 30, 1958 stated that RAMISTELLA was a free man today because two men who were arrested with him last summer have disappeared after serving jail sentences for the theft of food from a supermarket. The same charge against RAMISTELLA was thrown out of court when the prosecution couldn't produce the other two men to testify against the defendant.

A newspaper article contained in the PROVIDENCE JOURNAL dated July 27, 1957, stated in part that HENRY R. RAMISTELLA, 24 of East 80th Street, Bronx, New York, was placed on probation in District Court after he pleaded no contest to a charge of obtaining money under false pretenses. RAMISTELLA had been charged with violating the banking laws, a more serious count but the Judge reduced the charge because the former jockey had made restitution.

The following ejections are on file for the subject:

Rockingham Park Race Track - August 9, 1957, convicted narcotics user. Permitted to remain for the balance of the day but warned not to return".

Rockingham Park Race Track - August 17, 1957, convicted narcotics user, ejected and warned not to return".

Rockingham Park Race Track - September 18, 1957, convicted narcotic user, ejected and warned not to return.

Narragansett Park Race Track - November 8, 1958, convicted narcotic user, ejected.

RE: HOWARD PHILLIP ETHRIDGE
INFORMATION CONCERNING

On August 15, 1968, Mrs. RACHEL WHITE, South 2503 Teko, Spokane, Washington, and Miss BONNIE LOUISE WHITE, South 1303 Crestline, Spokane, Washington, advised that on August 13, 1968, they were en route from Milton Freewater, Oregon, to Spokane, Washington. Upon leaving Walla Walla, Washington, they observed a young man hitchhiking near the outskirts of town. As it was approximately 11:30 PM, they decided to give the man a ride as they felt sorry for him being out so late hitchhiking. The man gave his name as PHILLIP ETHRIDGE and advised that he was going to Coeur d'Alene, Idaho, to work in a lime plant.

ETHRIDGE got into the back seat of the 1967 Chevrolet two-door hardtop, being driven by RACHEL WHITE. ETHRIDGE sat behind BONNIE WHITE, who was sitting in the passenger side of the front seat.

RACHEL WHITE and BONNIE WHITE advised that approximately three miles from Colfax, Washington, ETHRIDGE said something to the effect that he had a gun pointed at BONNIE WHITE's head and that he was naked and for neither girl to look back or he would shoot. He told RACHEL WHITE to keep driving the vehicle but he did not give any directions. RACHEL advised that as they entered Colfax, Washington, she turned toward Pullman, Washington, instead of turning toward Spokane. She stated that she knew the traffic would be heavier between Colfax and Pullman and there were more farm houses in the event ETHRIDGE left the girls in the country as he was indicating he planned to do. ETHRIDGE assured the girls that he did not intend to molest them but did intend to take their money and their vehicle. RACHEL WHITE and BONNIE WHITE stated that as they proceeded toward Pullman, Washington, ETHRIDGE told them that he had killed two policemen and had wounded other men. He then

asked them if they had heard of the KENNEDY assassination and the killing of MARTIN LUTHER KING. The women said that they had and ETHRIDGE told them that he had been in on these killings so he wasn't afraid to use a gun. Both women stated that he did not indicate which KENNEDY he meant but they assumed that he meant the killing of Senator ROBERT KENNEDY due to the fact ETHRIDGE had told them that he was only 19 years of age.

RACHEL WHITE and BONNIE WHITE advised that they thought that ETHRIDGE was not telling the truth when he informed them that he had killed two policemen and had participated in the assassination of KENNEDY and KING. They stated that they got the feeling that he was attempting to frighten them and at the same time to build up his own ego. ETHRIDGE informed them that he did not kill women but instead planned to leave them in the country, and take their money and the 1967 Chevrolet.

ETHRIDGE made RACHEL WHITE turn off the highway on a road leading to Albion, Washington, and proceed down that road until out of sight of the highway. He then ordered both women out of the vehicle and ordered them to completely undress. RACHEL WHITE stated that as she was undressing she noticed that ETHRIDGE had a gun in his hand and did not have a shirt on, although he had a pair of dark trousers on. After having both women undress, ETHRIDGE ordered them to walk down the road to Albion. The women proceeded down the road until out of sight of the car headlights at which time they hid in a side ditch beside the road. A short time later ETHRIDGE drove past them in the vehicle proceeding toward Albion, Washington. The women then proceeded to a nearby farm house where they obtained clothing and notified the Whitman County Sheriff's Office.

ETHRIDGE was arrested on August 14, 1968, during the early morning hours near Lewiston, Idaho, following a high speed chase from Pullman, Washington.

FROM : SAC, CHICAGO (89-61) (P)

SUBJECT: KENSALT

Re Los Angeles airtel to Chicago, 7/25/68, regarding information from Chicago State Hospital requested by the Los Angeles Police Department.

On August 6, 1968, Mrs. SONIA HOWARD, Medical Records Library, Chicago State Hospital, 6500 Irving Park, Chicago, advised NORMAN SYDNEY WEXLER was committed to their institution on March 28, 1950, as being mentally ill. Her records indicated WEXLER was discharged April 30, 1950, marked as recovered, in remission, which indicates his symptoms had disappeared. WEXLER was discharged into the custody of his mother living in Chicago at that time.

WEXLER was brought to Chicago State Hospital as a result of his arrest by Chicago Police Department at Midway Airport, where he was attempting to board an airliner. WEXLER indicated to the airline people he had connections with the gangsters, and was carrying a toy gun at the time. His explanation was that he was working on an undercover story for the newspaper.

WEXLER was diagnosed as a manic-depressive. WEXLER's history indicates he has had previously marked breakdowns, one while attending high school, and one serious breakdown when he was a senior at Harvard. His records indicate he did not graduate, and was placed in a private hospital at that time. During his interviews at Chicago State Hospital, WEXLER made various anti-semitic statements indicating that as a group these people were taking advantage of the world. WEXLER indicated that he had a newspaper job in Chicago which could not be verified. Her records indicate he was seeing a psychiatrist in Detroit.

No contact is registered with the Chicago State Hospital since WEXLER was discharged. Mrs. HOWARD advised had WEXLER been committed to any mental hospital in the state of Illinois, their records would indicate that fact.

No further investigation being conducted at Chicago.

RE: BERT H. MOORE - COMPLAINANT

Re Bureau airtel 8/8/68.

On 8/20/68, the film of Senator ROBERT F. KENNEDY's California campaign which was used on the WALTER CRONKITE Show 6/3/68, was reviewed at CBS, NYC, by SA JAMES P. O'NEIL.

There was no portion of this film in which Senator KENNEDY was standing on a truck or in which an incident similar to that described by MOORE occurred.

However, a "syndicated piece", that is a film clip, distributed 6/3/68 to CBS affiliates but not shown on the national network and definitely not on the CRONKITE Show, does show Senator KENNEDY on a truck in a Chinatown District, probably San Francisco on or about 6/2/68. In this clip, Senator KENNEDY is shaking the hands of persons standing along the street and pressing up to the truck, and several explosions such as fire crackers can be heard on the soundtrack. However, no one visible is pointing any object at Senator KENNEDY.

Enclosed for the information of Milwaukee is a copy of referenced San Antonio airtel dated 6/13/68, which sets forth the background information regarding this matter.

San Diego airtel of 7/2/68, set forth a lead for San Antonio at Fort Sam Houston, Texas, to exhibit the photograph of JIMMY LEE McBRIDE, U. S. Marine Corps deserter, to NORMAN JOSEPH KENNEDY, JR., to determine whether or not McBRIDE was identical with "JIMMY" who KENNEDY met in Los Angeles during late February, 1968.

San Antonio airtel to Los Angeles dated 7/1/68, advised that NORMAN JOSEPH KENNEDY, JR., Army Serial No. RA 16908591, had gone AWOL from Fort Sam Houston, Texas.

San Diego letter to Los Angeles dated 7/11/68, advised that McBRIDE was in custody of military authorities from 2/15/68 to 5/31/68.

On 8/19/68, Colonel W. L. RINGEN, Fort Sam Houston, Texas, advised that NORMAN JOSEPH KENNEDY, JR., had been apprehended in Milwaukee, Wisconsin, on 8/8/68, and was thereafter ordered to return to Fort Sam Houston. KENNEDY never returned to Fort Sam Houston so he was dropped from the rolls as a deserter on 8/16/68.

DETAILS:

At approx., 1930hrs., on this date, 16 Nov 64., I received a phone call from a Lydia Massey of 1714 N. Alder, MA:2-1419, stating that a subject Samuel Butler had left the Tucson area en route to California in the company of one Oliver Jerry Owen, and Carlos Butler and one other unidentified male subject.

She stated that on Saturday, 14 Nov 64., a subject had come to the home and asked for Samuel Butler and Carlos Butler; stated that she had not seen this man before; however in the light blue vehicle was seated who was believed to be Oliver Jerry Owen and his wife.

On Sunday, 15 Nov 64., Samuel Butler had come to the home at 1714 N. Alder and told his wife Juana Butler and Lydia Massey that he had been offered a thousand dollars to sign some papers for Oliver Jerry Owen and in return for signing this Carlos Butler would also receive six thousand dollars.

On 16 Nov 64., a George Butler of 9231 Tanford Street, Pico Rivera, California, 699-1685, had called Mrs. Butlerr and stated that he had been called by Carlos Butler and advised that Samuel Butler was en route to California and would arrive on a plane on this date. Mrs. Butler was unaware of it at that time. Samuel was en route to California, however she contacted Lydia Massey immediately after this.

After talking to me, Mrs. Butler states that she received a phone call from Samuel Butler in Phoenix, and that he stated that he was dressed very well; that he had plenty of money and that he hadn't signed any papers yet, however he was on his way to California and would leave at 9:45 P.M., (2145hrs.)

Lydia Massey states that she feels that these papers are probably papers dealing with the case and confiction against Oliver Jerry Owen on three counts of Arson and that perhaps are related to his testimony. I was unable to obtain any further information at this time. Mrs. Massey and Mrs. Butler stated that they would contact this department if they obtained any future information.

Re: Organizing Committee for Clemency
for Sirhan

On August 2, 1968, a confidential source who has furnished reliable information in the past, furnished to a Special Agent of the Federal Bureau of Investigation (FBI), a flyer bearing the heading "Organizing Committee for Clemency for Sirhan, 57 West 10th Street, New York City, New York 10011, telephone number 212 GRamercy 7-1826".

This flyer solicited support for the "just fight for clemency for Sirhan Sirhan". This flyer identified John M. Lawrence as the Executive Secretary; Abdeen Jabara, 1217 First National Building, Detroit, as the attorney and Al Matthews, 14416 Victory Boulevard, Van Nuys, California, Associate Counsel for this Committee.

A copy of this flyer is attached.

Concerning Abdeen Jabara, a second confidential source who has furnished reliable information in the past, advised on October 4, 1967, and November 28, 1967 that Abdeen Jabara, a Detroit attorney, attended three weekly meetings of the Detroit Committee to End the War in Vietnam (DCEWV), Detroit, Michigan. The dates of these three meetings were August 30, 1967, September 6, 1967 and October 4, 1967. [X]u

The DCEWV is a Detroit organization which has sponsored frequent protests regarding the United States involvement in Vietnam.

This source stated that Jabara, a practicing Detroit attorney, who was further described as the author of a monograph on Armistice Law for a Palestine Liberation Organization, spoke on the expansionist tactics of modern Israel, which Jabara stated was demonstrated by the June, 1967 takeover by Israel of Jordanian and Egyptian territory.

A characterization of the Friday Night Socialist Forum appears in the appendix pages attached hereto.

Sec. 190.1, Penal Code, California. If a person has been found guilty of deliberate murder there shall be jury trial to fix the penalty of death or life imprisonment. If death is to be the penalty for Sirhan's misguided political act, then what penalty shall world justice and Arab military might deal out for the genocidal massacres and exiling of Palestinian Arabs from their native land?

Let us not repeat the folly of the pre-Civil war hanging of John Brown. The trail of murder and killing will end where a merciful understanding, and humane forms of retribution are employed.

W. E. B. DuBois Press Conference
Hotel Diplomat, NYC

This meeting was called in protest to the statement concerning SIRHAN B. SIRHAN, SR., made by Mayor YORTY of Los Angeles, California connecting him (SIRHAN) with the W. E. B. DuBois Club. A statement was read by JARVIS TYNER, National Chairman of W. E. B. DuBois Clubs of America.

In the statement he called Mayor YORTY a "liar," and denied that SIRHAN had any connection with his club. He further stated that President JOHNSON and Mayor YORTY were among those who fostered violence in America. LINDA MORSE made a statement to the fact that all of the written press has shone to pass up YORTY's statement, because of the fact it appeared he was seeking headlines. DAVE DELLINGER then spoke, repeating almost the same words of TYNER and MORSE. KUNTSLER then said that as the attorney for W. E. B. DuBois would sue YORTY and the city of Los Angeles for damages because of his statement. KUNTSLER said his price may be from \$1.00 to one million dollars. Most of all W. E. B. DuBois Club wanted a retraction of the statement.

CBS T. V. was the only major news media present. Among those present was ABE WEISBERG. He said he is now National Director of White Americans to Support Black Liberation, 857 Broadway, Room 405, NY 10009. This press conference was a failure and accomplished nothing.

P. S. It should be noted that a person who identified himself as DENNIS ROBERTS or ROBINSON, an attorney from California for W. E. B. DuBois Club, was present. He was male, white, 20 or about 6 ft., brown hair and beard. No mustache. He wore glasses.

June 7, 1968
New York City

FOR IMMEDIATE RELEASE TO ALL NEWS MEDIA 11 AM, JUNE 7, 1968, NEW YORK CITY: Remarks issued by Jarvis Tyner, National Chairman of the W.E.B. Du Bois Clubs of America at a news conference at the Diplomat Hotel:

Yesterday at a press conference in Los Angeles, California, the Mayor of that city, Samuel Yorty, unleashed a vicious and most slanderous attack against my organization, the W.E.B. Du Bois Clubs of America. Through innuendo and insinuation Yorty intimated that Sirhan Bishara Sirhan, the alleged assassin of Senator Robert Kennedy, was associated with my organization, the Du Bois Clubs of America, and that such an association could have had some bearing on the insane act of political assassination.

Mayor Yorty is a liar. Our records in the Los Angeles area, as well as further inquiry conducted by our organization yesterday, unequivocally evidence that Sirhan Bishara Sirhan had no connection to the W.E.B. Du Bois Clubs of America. On the basis of our organizational inquiry and evidence our attorney William Kunstler will give you an account of the legal action that the W.E.B. Du Bois Clubs of America are initiating against Mayor Yorty for his unfounded and libelous attack on our organization.

This action against Mayor Yorty will be taken in the courts to demonstrate that such attempts at political assassination, and unfounded slander as this attempt by Mayor Yorty to revive McCarthyism in America will not be tolerated by the American people

NEWS RELEASE, contd.

We deplore the assassination of Senator Kennedy. We feel that such insane acts are a result of the desperately confused situation that now exists in this country. A situation that has been fostered in large measure by the violently racist and reactionary policies of political leaders like Lyndon Bains Johnson and Samuel Yorty. Isn't it a fact that it is ... this climate of violence stirred up by the forces of conservatism and reaction that has given license to the use of violence against progressive political activists on the American scene. Such evidence for this conclusion can be found by remembering these recently murdered; Malcolm X, Martin Luther King, Schwerner, Chaney, and Goodman, Medger Evers, Jimmie Lee Jackson, the list goes on and on.

Let's look at reality. It is the war in Vietnam which legalizes murder, torture, and genocide that adds to the glorification of violence against the forces of change in the world and helps to give license to the wanton murder of those political leaders who would lead America back to the path of humanity and sanity.

It is the political lies of the Yorty's, the Johnson's, the Humphry's the Eastlands, the Dodd's, the J. Edgar Hoover's which says that the problem with the oppressed of America is a crime problem as opposed to a problem of exploitation, unemployment and poverty. It is these lies that legalizes the criminal slaughter against dispossessed Black America.

---MORE---

NEWS RELEASE contd.

Neither this most recent attempt of Mayor Yorty to lend his adroit hand to stir up the cold dregs of McCarthyism, nor the attempt of Lyndon Johnson to find a scape goat for the wave of violence that his administration has unleashed on the world, will succeed in diverting the American people from their growing demand for new programs and new leaders for our country. The DuBois Clubs America will not be diverted from its work of building a new America by the attack of Johnson's new McCarran Act, nor Mayor Yorty's attempts at political character assassination .

The NYO of the FBI has a closed 170-768 file on one, SEYMOUR SLOBODKIN, possible informant.

On 5/20/68, this SEYMOUR SLOBODKIN called the NYO and said that he is employed at the Blue Fountain Restaurant, 68-01 Rockaway Beach Boulevard, Jamaica, NY, and that he is affiliated with an organization which is setting up vocational and training institutes for school dropouts among others in ghetto areas, and he had devised an approach to people in ghetto areas which he thought would be helpful to agents of the FBI on their investigations.

On 6/12/68, SLOBODKIN called the agent who he spoke with previously and told the agent that he, (SLOBODKIN), was attempting to purchase some batteries in a radio shop and wished the agent to vouch for his credit telephonically to the owner of the shop. The agent refused.

During the early morning hours of 6/13/68, Patrolman KLATZ, 100th Precinct, NYCPD, advised that he then had SLOBODKIN in the Psychiatric Ward of Elmhurst General Hospital for observation based on SLOBODKIN's purported observation of a submarine in Jamaica Bay, NYC.

The Queens, NY address telephone book (Long Island City is in Queens) contains no listing for 1 Court Square, The first listing on Court Square is Number 5.

The Brooklyn, NY address telephone book at 3043 Brighton 6th St., lists COHEN, LILLIE NI 8-7879.

The Brooklyn, Bronx, Queens and Manhattan, NY telephone books and the NYO indices contain no listing as to IBRAHIM BEN ALI SIRHAN.

In addition to the information furnished in the FD-302, OWEN advised he came to San Francisco in late June on a weekend and just before leaving had received a call from a Lt. OWEN told SANDLIN that he was on his way to a church in Oakland and could be reached through his brother in San Bruno, whose name and telephone number he gave to the police officer. SANDLIN advised that he would be in Palo Alto that same weekend.

When OWEN arrived in the Bay Area he contacted BEN HARDISTER and advised him of the information concerning the hitchhiker. He talked to his wife while staying at HARDISTER's ranch and she told him that SANDLIN had called and advised he would be staying at the Hyatt House in Palo Alto. Reference is made to memorandum dated June 11, 1968, captioned as above.

On July 18, 1968, Mr. Emory Dowling, Sr., Owner, Perdue Radio, Television and Appliances, Incorporated, 2425 East Colonial Drive, Orlando, Florida, advised that the captioned individual had returned to Orlando, Florida. He had taken him back on his job as a technician.

On June 13, 1968, Mrs. Fay Ezzell, 636 22nd Street, Orlando, Florida, advised that her husband had returned to Orlando, Florida, and she had seen him at the Holiday Inn located on South Orange Blossom Trail, Orlando, Florida. She said he had a gun and he had frightened a bell boy with it when he came to the room with ice. Allegedly her husband was drinking.

Mrs. Fay Ezzell said that her husband had not mentioned being connected with any conspiracy or plot to shoot Dr. Martin Luther King and Senator Robert Kennedy, but she was fearful of him in his condition.

Mrs. Ezzell said she understood she would have to consult either the Orlando, Florida Police Department or the Orange County Sheriff's Office for any personal protection.

On June 13, 1968, Sergeant George Pegues, Orlando Police Department, Orlando, Florida, was advised of the above information furnished on that date by Mrs. Ezzell. It was also furnished to Deputy Sheriff Otis Mosley, Orange County Sheriff's Office, Orlando, Florida, on the same date who said he had Ezzell's presence verified at the motel but the management said they could not locate any bell boy who had encountered Ezzell with a gun. They did locate one who had served him ice but he denied Ezzell had confronted him with a gun.

PERNELL EZZELL

On June 6, 1968, Mr. FRANK WETZEL, Manager, Perdue Radio, Television and Appliances, Incorporated, 2425 Colonial Drive, Orlando, Florida, furnished the following information:

PERNELL EZZELL is a former employee who has been missing about three weeks on this last occasion. He has previously left his job on past occasions and has been taken back. He called WETZEL on the morning of June 6, 1968 from 4:15 a.m. to 5:15 a.m. saying he was in Denver, Colorado. Mr. WETZEL said EZZELL seemed as though he were nervous, crazy or drunk.

EZZELL alleged to WETZEL that he had a great amount of money. He said he had a pile of \$20.00 bills which he had obtained as a result of his part in the assassination of Dr. MARTIN LUTHER KING and the shooting of Senator ROBERT F. KENNEDY. EZZELL remarked that he had proof he was in Orlando, Florida when KING was shot and he was in Las Vegas when KENNEDY was shot if he were to need it. He alleged he was on the payroll of "CIA" and "OSI". He remarked that he had a "38", a "357", a "30-30" and a "306" type of guns in the trunk of his car. He said he was using a U-Drive-It car in Las Vegas the previous day with the "357" gun on the seat when he was stopped by a deputy. He said the deputy released him when he produced his Associated Detective Agency card and his gun permit which he read the number 56-156-1668 from as being #92B.

PERNELL EZZELL

Mr. WETZEL said that EZZELL did not threaten any one during his call or indicate that he intended to do any harm to anyone else.

WETZEL said that EZZELL indicated that he was his only friend in Orlando, Florida and he just wanted to talk to him to find out if he could come back to Orlando.

On June 6, 1968, Mrs. FAY EZZELL, 636 22nd Street, Orlando, Florida furnished the following information.

She advised that she married PERNELL EZZELL on February 25, 1967, this being her third marriage. She said they have one infant by this marriage and she has children by previous marriages. She said that EZZELL has caused her extreme anxiety and debt during their short period of marriage. She said he has deserted her at least three times and he was last seen by her over three weeks ago. She said that he had been treated for extreme alcoholism during their short marriage on at least two occasions by Doctor HERBERT COLLINS in Orlando, Florida and she had taken him to the Florida Sanitarium Hospital, Orlando, Florida for the same type treatment. She advised that he has been also treated at the Cherry Hospital for extreme alcoholism but she could not recall the name of the town in which the hospital is located. She said that she hoped that her husband does not return.

PERNELL EZZELL

Mrs. EZZELL said that PERNELL had called her on June 6, 1968 about 2:00 a.m. and the call lasted until about 3:00 or possibly a little later. She said he stated he was in Denver, Colorado. She said that on one occasion the call was interrupted by an operator who requested that he make a new call for credit charges which he did but the operator did not specifically identify herself as being in Denver, Colorado. Mrs. EZZELL said that PERNELL had called her on the morning of June 5, 1968 during the early hours saying that he was in Las Vegas, Nevada but she had no way of knowing his actual whereabouts at that time. She said that on both occasions he did not divulge his address or location. She said that in April, 1968, he was drinking heavily and she refused to allow him to come to the house with her children. She said he went to several motels around the Orlando, Florida area and ran up very large bills on credit cards which caused her financial difficulties. She said that on this occasions his drinking was only terminated when she took him to Dr. COLLINS for treatment of extreme alcoholism. She said that the doctor gave him tranquilizers to bring his shaking under control. She said he is a hopeless alcoholic and that when he is drinking he becomes affected mentally. Mrs. EZZELL advised that in the past PERNELL EZZELL when drinking had delusions of grandeur. She said that he would refer to big news stories in the newspapers and try to cause her to believe that he was in some way connected with military service intelligence and he would have to check on these news worthy events.

PERNELL EZZELL

She said that on several occasions when he was drinking and he had disappeared he would finally call her telling her that he had a large sum of money and that he would buy her all sorts of new presents. She said that on these occasions she found him penniless and drunk in North Florida.

Mrs. EZZELL said that when PERNELL called her on the past two mornings he had not made any allegations involving himself in any assassination plots on Dr. KING or Senator KENNEDY. She said he had not threatened anyone on these occasions except her when she told him she was seeking employment. He said that if she obtained a job he would come by and pick up the baby.

Mrs. EZZELL said that PERNELL did have some sort of a gun which he kept in his car because she would not allow him to bring it into the house. She said he had a permit to carry this gun because he worked as a guard during the night time at Associated Detective Agency, Orlando, Florida. She said he worked in the day time as a television technician for the Perdue Radio, Television and Appliances, Incorporated.

Mrs. EZZELL said that she has been receiving numerous bills from oil companies and American Express credit card which she did not open but forwarded to his mother in North Carolina because she could not pay them. She advised that she feels that her financial situation is so destitute that she will lose her home and furniture because of previous bills made by EZZELL.

PERNELL EZZELL

On June 6, 1968, Dr. HERBERT COLLINS, 3558 South Orange Avenue, Orlando, Florida, advised that he treated PERNELL EZZELL for about the past couple of years due to extreme alcoholism the last period of treatment being in April, 1968. He said this man is unstable but he did not further describe him.

On June 6, 1968, the files of the Orlando, Florida Police Department furnished by MARIAN HARRISON revealed PERNELL EZZELL was arrested on June 2, 1961 being charged as a public drunk; on November 19, 1961 being charged with driving while intoxicated; and he was picked up on suspicion of auto theft March 9, 1962 at which time he was turned over to the Orange County Sheriff's Office. No photograph or fingerprint records for EZZELL were available.

On June 6, 1968, BERNICE FOGARTY, Orange County Sheriff's Office, Orlando, Florida, Identification Division and Deputy PHILIP MURPHY, Plain Clothes Division, both advised that they could locate no information pertaining to EZZELL in their files.

The following physical description was obtained from Mr. WETZEL and Mrs. EZZELL:

It is noted that on July 5, 1967, Officer JAMES WATFORD, Kissimmee, Florida, Police Department, advised the Tampa Office of the Federal Bureau of Investigation (FBI) that PERNELL EZZELL had made statements to EZZELL's wife that he was an agent of the Central Intelligence Agency (CIA) and in this capacity had to make secret trips, leaving his wife alone for periods of time. WATFORD indicated he knew of no one else who had been told by EZZELL that he was a CIA agent, and that there was no evidence EZZELL had obtained anything of value from anyone other than his wife.

On August 4, 1967, a representative of the CIA, Washington, D. C., advised that a check of CIA personnel files failed to disclose any individual named PERNELL EZZELL as being employed by that agency.

On August 28, 1967, Assistant United States Attorney KENDELL WHERRY, Middle District of Florida, was informed of above facts by a Special Agent of the FBI. SUBJECT: KENSALT

DATE: 8/20/68

On 8/5/68, Mr. R. D. BOSWORTH, Auditor, Southern Division, Crocker Citizens National Bank, Los Angeles, California, advised that all of the branches of this bank in the Los Angeles area have been circularized in connection with a bank account in the name of SIRHAN BISHARA SIRHAN. No account was located in this name; however, the manager of the Pasadena Branch advised that SIRHAN had cashed a \$1,700 insurance check at that branch sometime prior to the assassination of Senator ROBERT F. KENNEDY. The manager said he is sure that the authorities know about the encashment of this check.

The manager of the Civic Center Branch advised that a customer, CAMILLE A. WHITE, who works for the State Banking Department, commented to him that she had attended the same school as SIRHAN in Pasadena, where she had become casually acquainted with him. This conversation took place a short time after the publicity regarding the assassination.

The manager of the Sunset-Edgemont Branch said SIRHAN's brother had a loan at that branch which had been paid off prior to the assassination and he believes that the FBI has already checked into this.

On 8/15/68, Mr. ROBERT CRIMI, Assistant Auditor, Security Pacific National Bank, Los Angeles, California, advised that he had circularized all of the branches of this bank in the Los Angeles area and to date had received no response from any of the branches, as they were instructed to advise only if they had positive information. Mr. CRIMI said if positive information is forthcoming concerning any of the accounts of SIRHAN, he would so advise the Los Angeles Office of the FBI.

LEGISLATIVE REFERENCE SERVICE
[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.
14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris - I'll use the same green pen and tell her who I am.

The youth of the entire world is grateful to John and Bob Kennedy. May they live in eternal glory, and may the black soil in which they rest forever be light to them.

Long live Ted Kennedy, the avenger of his brothers.

In 1972, we shall triumph together. Keep this letter and follow it exactly. [On reverse of envelope] I am poor and have no money to buy a stamp. Forgive me, brother Ted. [On picture] My deepest sympathy to the Kennedys. 1968. An anonymous Serbian.

**ASSASSINATION OF SENATOR
ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA**

This is in further reference to our letter of August 9, 1968, relative to the efforts of the Los Angeles Police Department in connection with the proposed interview of Mrs. Ethel Kennedy.

According to information furnished by our Los Angeles Office, Detective Chief Robert Houghten of the Los Angeles Police Department advised his office had been in telephonic contact with Stephen Smith, brother-in-law of the late Senator Robert F. Kennedy, concerning the possibility of arranging an interview with Mrs. Kennedy.

Smith, according to Chief Houghten, advised Mrs. Kennedy would not submit to an interview by either Special Agents of the FBI or officers of the Los Angeles Police Department. It was Smith's opinion that Mrs. Kennedy could contribute very little, if anything, of significance concerning the shooting. He agreed, however, according to Chief Houghten, to contact Mrs. Kennedy in behalf of the Los Angeles Police Department providing that agency would submit a list of questions they desired her to answer. Upon the submission of such a list, Smith stated he would discuss the situation with Mrs. Kennedy and thereafter furnish the results to the Los Angeles Police Department.

The above is being furnished for your information, and as previously indicated, no action is being taken by this Bureau in view of your prior advice.

① - Los Angeles (Information)

NOTE TO SAC, LOS ANGELES:

Under no circumstances should the FBI be a party to an interview with Ethel Kennedy. Advise Bureau immediately upon any further request along these lines by Los Angeles Police Department.

Gentlemen:

In connection with the picture of a girl wearing a full length white and black polka dot dress in the newspapers recently, and a statement that your Office was very much interested in her, you are advised that on the morning in which Robert Francis Kennedy was shot by Sirhan Bishara Sirhan, a girl answering that general appearance and attire from the back view afforded by the picture used keys to enter an automobile rental office at 7th and Figueroa Street opposite the Statler Hilton Hotel at about 9:00 a.m. and conducted herself as if she belonged and was employed there. I was crossing 7th Street from the Barker Bros. side at the time, and my first observation of her was the back view the same as in the newspapers and I could not help recalling the incident vividly to mind. The girl then had the appearance of being hysterical and tired as if she had been out all night, and upon entering, wandered about the office as if in a daze, and finally sat down behind the counter and put her hands to her face as if taking a nap. About then a bus came by going west on 7th Street which I boarded, and that is my last recollection of the matter. This could well be a blind lead, but it might be worth looking into, as all other possibilities seem to have been exhausted.

In 1965, he applied for a change of status to Permanent Resident Alien. He gave his address at that time as 13158 Chandler Blvd., Van Nuys, California. Subject married one Shakey KASPARIAN (born 9 November 1932 in New York City) in January 1962. A divorce was granted in February 1964. Subject apparently changed residences frequently in the United States during the period 1959-1964 (addresses are unknown to this office, but are presumably available in Immigration and Naturalization Service records). 1. We have received information concerning one Hagop ~~JEREMIAN~~, a former resident of Beirut, who has been residing in Detroit, Michigan since circa May 1966.

2. The following information was passed to us informally by a source of undetermined reliability:

- a. Subject is reportedly in the export-import business in Detroit -- a business which the local source was unable to identify by name. He has recently started an Armenian language program on one of the Detroit FM radio stations. Subject was briefly associated with a retail furniture company in Detroit where he worked under the name of "Mr. Dee".
- b. An engineering student in Detroit and formerly a resident of Beirut, says ~~JEREMIAN~~ visited the Soviet Embassy, Beirut, almost daily. He added that ~~JEREMIAN~~'s claim that he is related to Doctor Anu ~~JEREMIAN~~ of Beirut, a doctor held in considerable esteem by the Lebanese community, is not true. ~~JEREMIAN~~ is, in fact, related to the ~~JEREMIAN~~s of Beirut who have a long history of communist or leftist affiliations. ~~JEREMIAN~~ also allegedly left a wife and family in Beirut and came to the United States and married a U.S. citizen.
- c. According to a Detroit businessman, Subject is allegedly an unscrupulous character who is somewhat dishonest in his business dealings. He is generally regarded with suspicion by different factions of the Armenian community for a variety of reasons, mostly political. Paradoxically, Subject, who claims to

He is also in close association with Arpo YEREN, AKA YERENJIAN, a Detroit attorney, formerly of Greece and allegedly a pro-Axis intelligence agent or informant during World War II.

3. On the basis of the foregoing information, an Agency-initiated check revealed the following information:

- a. In June 1959 a knowledgeable source in Beirut reported a Hagop JEREMJIAN, a free-lance writer in the Hunchak and Communist Party papers, was officially a Hunchak but believed to be a Communist Party member.
- b. A reliable source reported in November 1958 that JEREMJIAN was pro-communist and an active member of the Hunchak Party; and that his brother, Ohannes, a communist party member, was employed by the Soviet Embassy in Beirut.
- c. A usually reliable source had advised on 2 December 1958 that the entire family was deeply involved in pro-Communist Party activities in recent months and was most active in the recent insurrection (1958).
- d. Subject and his brother, Ohannes, are the sons of Havarthian JEREMJIAN, Aka Artin Zakar JEREMJIAN, a leader of the Hunchak Armenian Socialist Party, Lebanon. The father attended the July 1962 Moscow World Peace Congress.

4. Should any additional information come to our attention, you will be advised accordingly.

PERNELL EZZELL

Reference is made to prior communications in the captioned matter, the most recent one being dated June 19, 1968.

Mr. Emory A. Dowling, Jr., son of the owner of Perdue Radio, Television and Appliances, Inc., 2425 East Colonial Drive, Orlando, Florida, furnished the following information on August 12, 1968:

Pernell Ezzell recently had his Florida driver's license revoked because he had been involved in an accident some months ago in North Carolina. Ezzell had to terminate his employment with the company as a color TV technician because he was unable to drive a car and his services were not needed on a full time basis in the shop. Because he was unable to do his job in Florida, he went to California to seek employment. At that time, he was not drinking and he was perfectly normal. He had just returned from a trip to North Carolina, where he had gotten his 1965 Buick automobile back from an automobile repair garage.

On Saturday, August 10, 1968, Mr. Dowling had received a long distance telephone call from a manager of a motel in Long Beach, California. He could not recall the manager's name or the identity of the establishment which he represented. The manager inquired as to whether he should cash a check for Pernell Ezzell in the amount of about \$200.00 and he refused to recommend cashing the check. He could not recall the name of the bank on which the check was drawn and he said he did not speak with Ezzell at the time, but he believed he was standing nearby during the telephone call.

PERNELL EZZELL

Mr. Dowling said that he had no further information concerning Ezzell at this time.

On August 12, 1968, Mrs. Fay Ezzell, wife of Pernell Ezzell, 636 22nd Street, Orlando, Florida, furnished the following information:

Pernell Ezzell had his driver's license revoked for five years by the State of Florida because he had hit a bridge with his 1965 Buick in or near Fayetteville, North Carolina, or Clinton, North Carolina, during his last escapade. He had been charged with driving while intoxicated. Ezzell said that he had paid for the damages to the bridge, but his license was still revoked last week. Mrs. Ezzell said that her husband tried to obtain bench work as a TV technician in the Orlando, Florida, area, but he was unsuccessful, since he had no driver's license and he could not travel throughout the city to do his work. She advised that he left Orlando on Monday, August 5, 1968, for California, in order to seek employment.

On Thursday, August 9, 1968, he called in the middle of the night, saying that he was in Los Angeles, California, working for an aircraft plant and making good money. He did not mention the name of his employer or the location of the aircraft plant. He told his wife that he wanted her and the family to fly out in the near future when he would send money.

On Saturday, August 11, 1968, Ezzell called about 8:00 P.M., saying he was in Los Angeles, California. He remarked to the effect that he had been out of the country and he had just gotten back, therefore, he had not gotten a permanent address. He did not state where he could be reached or the name of his employer. He did not say where he had gone while he was out of the country. Mrs. Ezzell said she is bitter because her husband had run up about a \$1,000.00 debt on his American Express Credit Card during his last escapade and he still has this card. She said that she wanted him to show good faith by supporting her and their child before she would decide whether or not to go to California. Mrs. Ezzell said that she was not certain whether or not Ezzell had been drinking, but she was unable to detect that he was under the influence of alcohol from the sound of his voice on the two occasions on which he made calls. She said that if he does

PERNELL EZZELL

not help support their child, she will change her telephone number to an unlisted telephone number in the near future to avoid getting telephone calls from her husband in the middle of the night. She explained that she has to go to work very early each day. She said that she did not believe Ezzell's story about being out of the country and that he had possibly utilized the story to cover up for a period during which he had been drunk. She said that she could not believe but very little of any statements that Ezzell made to her and she, therefore, does not question him when he calls her. She said that she has no information as to her husband's exact whereabouts, the identity of his employer, or any of the details or location of the foreign trip that he allegedly made. She said that she did not believe him because he did not previously have a passport and he had not had time to obtain a passport before allegedly going out of the country. She said that she is waiting to see if he shows good faith by sending money for her and their child's support or whether he will go on another escapade and go deeper into financial trouble.

On August 12, 1968, Mrs. Mary Smith, Orange County Drivers License Office, Orlando, Florida, furnished the following information:

Pernell (no middle name) Ezzell, 636 22nd Street, Orlando, Florida, was issued chauffeur's license number H94422 on April 8, 1968. It was ordered revoked for five years by the Department of Public Safety, State of Florida, Tallahassee, Florida, for driving while intoxicated on the third offense within a ten-year period. It became effective May 27, 1968, but the order was not received and executed in Orlando, Florida, until August 6, 1968. The revocation resulted from Ezzell being convicted of driving while under the influence of intoxicants in the State of North Carolina. One of his other suspensions of his driver's license was from August 18, 1967, until February 29, 1968, because he forfeited bond in the State of South Carolina, on a charge of driving while under the influence of intoxicants.

Mrs. Smith said that she did not have a record of the third offense pertaining to Ezzell.

PERNELL EZZELL

On August 12, 1968, Mrs. LILA HOEQUIST, Orange County Auto Tag Office, Orlando, Florida, furnished the following information:

Pernell Ezzell or Fay Ezzell, 636 22nd Street, Orlando, Florida, obtained Florida automobile license registration number 7W-10531, on May 1, 1968, for a 1965 Buick, two-door sedan, and Florida license 7-1518 on the same date, for a 1966 Chevrolet, two-door sedan. The file contained no additional descriptive information pertaining to these automobiles.

In conjunction with the Bureau's review of investigative reports dated 6/9/68, 6/15/68, and 7/1/68, investigation should be conducted with respect to the following leads if it has not already been handled:

LOCK, STOCK AND BARREL GUN SHOP

1. Page 582 - 585 of report dated 7/1/68 reflects that Mrs. Dona Herrick of the Lock, Stock and Barrel Gun Shop, San Gabriel, California, states that an individual she identified as subject Sirhan, came to the store on or about April 3, 1968, accompanied by two other individuals and asked for tank-piercing ammunition. Mrs. Herrick said Sirhan was wearing white duck trousers.

Ascertain from Sirhan's relatives if Sirhan owned a pair of white duck trousers.

2. Page 583 of report dated 7/1/68 reflects Mrs. Herrick was shown a photograph of Adel Sirhan and Munir Sirhan and she stated both of these men bear a strong resemblance to the men who accompanied Sirhan Sirhan on or about April 3, 1968.

Larry Kenneth Arnot, salesman for the Gun Shop, advised that an individual who he identified as Sirhan Sirhan purchased ammunition at the Gun Shop on 6/1/68, and Sirhan was accompanied by two others.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

A photograph of Sharif Sirhan strongly resembled one of the individuals who accompanied the subject on that date (Page 591 - 593). Sharif and the other brothers denied being at the Gun Shop.

Additional investigation should be conducted in order to determine if either Mrs. Herrick or Arnot can make a positive identification of Sirhan's brothers as having been with him at the Gun Shop. Consideration should be given to allowing both witnesses to view Sirhan's brothers in person.

GOLDEN GARTER BAR

3. Page 608 - 652 of report dated 7/1/68 deals with investigation concerning an allegation that Sirhan Bishara Sirhan was overheard to make a statement to the effect that "We will get Kennedy" at the Golden Garter Bar. Investigation would indicate that an individual named Robert Andrese may have been mistaken for Sirhan. Extensive investigation should be conducted in order to positively resolve this aspect.

Specifically, the following individuals should be located and interviewed:

Don Trumble (Page 609).
"Walking Bill" (Page 642).
Kathy Venne (Page 609).

In addition, appropriate steps should be taken to show beyond any doubt that Andrese is the individual with whom Steve Stuart shot pool.

AREA OF SHOOTING

4. Page 352 - 355 report dated 7/1/68. Determine the identity of the unknown caucasian male who had a conversation with Hans Peter Bidstrup (electrician in the Maintenance Department of the Ambassador Hotel) in sound booth at the Rafferty Party in the Venetian Room at the Ambassador Hotel about one hour before Bidstrup went off duty (11 p.m.) on 6/4/68. Resolve whether this unknown male caucasian was or was not Sirhan Bishara Sirhan.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

5. If not already done, determine the identity of the Los Angeles fireman that visited with Hans Peter Bidstrup (electrician in the Ambassador Hotel) in the sound booth at the Rafferty Party in the Venetian Room at the Ambassador Hotel approximately 10 p.m., 6/4/68. Ascertain from this fireman whether he could furnish any information regarding the identity of the male caucasian who was having a conversation with Mr. Bidstrup. Determine if the Los Angeles fireman could resolve whether this male caucasian was or was not Sirhan.

6. Page 356. Determine from William F. Gardner (Security Officer of the Ambassador Hotel) the source of an orange color pamphlet with black lettering which bore the caption, "Kill Kennedy." Gardner was alleged to have displayed this pamphlet to Elmer M. Boomhower (an employee of Ace Guard Service, Granda Hills, California) on the night of 6/4/68.

AMBASSADOR HOTEL

7. Interview of hotel employees in most instances does not set out length of employment. With conspiracy in mind, the possibility of aid to Sirhan by an employee cannot be overlooked, hence those employees recently hired may warrant further inquiry into their activities.

8. Is there any information on Sirhan's method of transportation to the hotel? If not, all efforts to run out through parking lot, cabs, et cetera, should be insured bearing in mind a quick getaway may have been arranged.

9. Page 236 of report dated 7/1/68. Gerald Parmenter associated Sirhan's picture with an individual observed in an old car parked near his apartment and visiting a Jordanian couple. Resolve.

10. Page 43 of report dated 6/15/68. William Thomas Hoog saw two persons approximately 12:15 a.m., 6/5/68 run across the hotel grounds toward the parking lot. Attempt to identify.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

11. Page 278 of report dated 7/1/68. John Stanford Shamel was told by an unidentified man he had chased a man with a gun through the hotel lobby. Attempt to resolve.

Be alert for any possible connection between leads 10 and 11.

12. Page 56 of report dated 6/15/68. Irene Wishnuck stated an unknown person tried to obtain a hotel uniform. Resolve.

13. Page 69 of report dated 7/1/68. According to Frances Bailey, two caucasian males attempted to get waiters jackets to get in to see Kennedy. Resolve.

14. Page 77 of report dated 7/1/68. Fallak Ben-Jabr, parking lot attendant, saw four white males - driver appeared arabic - seeking parking space. Approximately twenty minutes later driver and a blonde girl were seen going into the hotel. Conduct additional investigation.

If any of the above leads have already been handled please advise. If not, handle immediately.

Information copies sent to New York, Phoenix and Washington Field because of investigation in those divisions to locate SCHAPIRO.

STEVE SCHAPIRO, free lance photographer, 170 West 73rd Street, New York City, New York, phone 787-5087, interviewed in Los Angeles 8/13/68. He said he had taken many pictures while traveling with the Senator R. F. KENNEDY campaign party a number of them he had furnished the KENNEDY family. Others he released through Black Star Photo Distributing Company, 450 Park Avenue, South, New York City.

SCHAPIRO, following examination of the photo obtained 7/31/68 from HUGH J. MC DONALD, Assistant Press Secretary, to Senator R. F. KENNEDY, said it looked like one of the shots taken of Senator KENNEDY at the Los Angeles International Airport sometime in March, 1968, shortly after Senator KENNEDY announced he would run for President.

KENNEDY was returning to Los Angeles on a charter plane from San Francisco which stopped several places in Central California. The arrival time was around mid-day or early afternoon. He did not recall the name of the air line or the terminal where Senator KENNEDY came in. KENNEDY usually chartered through American Airlines. There was a large group of fans who met KENNEDY at the time. If an organized group was present SCHAPIRO did not recall any names. The young man in question who is pictured about to attempt to shake hands with Senator KENNEDY was not known to SCHAPIRO and in the opinion of SCHAPIRO, based on study of photograph of SIRHAN SIRHAN, was definitely not SIRHAN SIRHAN.

WILLIAM BARRY, KENNEDY Party aid was the only person recognized in the photograph besides KENNEDY. SCHAPIRO said he expected to be in Los Angeles about a week and while here could be contacted through SALLY POWERS, 1221 North Genesee Avenue, Number 654-2883 or at her employment Screen Gems Inc. where she heads the new talent department phone HO 6-3141.

PHOTOGRAPH TAKEN OF SENATOR ROBERT F. KENNEDY
 AND OTHERS BEFORE ASSASSINATION OF KENNEDY
 WHICH MAY INCLUDE SIRHAN SIRHAN

Re WFO airtel dated 7/31/68.

For the information of the New York Office, Hugh J. McDonald, Assistant Press Secretary, Office of the late Senator Robert F. Kennedy furnished to SA Roger D. Ashland on 7/31/68 a photograph taken by Steve Schapiro at the Los Angeles International Airport in May, 1968. This photograph shows Kennedy shaking hands with an unidentified individual while another person who resembles Sirhan Sirhan is standing beside Kennedy with his hand outstretched to shake hands with Kennedy. William Barry of the Kennedy staff is on the other side of Kennedy in the photograph. McDonald said Steve Schapiro does a lot of photographic work for the "New York Daily News" and is identified as Black Star. Schapiro's office is in New York.

Copies of an enlargement of the aforementioned photograph are attached.

In view of the apparent likeness of Sirhan Bishara Sirhan to the individual immediately to Senator Kennedy's right, Washington Field should immediately obtain whatever additional information is available from Assistant Press Secretary McDonald relative to other photographs in his possession that may have a

bearing on this inquiry. McDonald should likewise be interviewed relative to how he obtained this photograph.

New York should immediately locate Steve Schapiro who allegedly took photographic work for the "New York Daily News" to determine if other photographs were taken to determine if this was one of a series of photographs taken at the Los Angeles International Airport. The date this photograph was taken should also be ascertained.

Los Angeles should immediately determine insofar as possible if the individual in this photograph is Sirhan Bishara Sirhan. If so, all logical investigation should be initiated in order to develop this aspect of our investigation. Attempts should be made to identify those individuals in the area and interviews should be conducted with individuals who were known to be at Los Angeles International Airport on the date this photograph was taken.

SUBJECT: Robert F. KENNEDY Assassination

REF : Your Memorandum of 17 June 1968

We have no factual information to confirm or deny the "Star" story of 17 June 1968. However, our impression from reading stories sourced to the "Star's" "usually reliable sources" inside China over the past year is that the "Star" does not have any such sources in the mainland. Many of the stories sourced in this manner have been simply manufactured. Others have been based on known facts which have been embroidered with imaginary details. We have checked on some authentic pictures from inside China which the "Star" has attributed to its "usually reliable sources" in the mainland and have found the pictures were purchased from a newsman or other westerner who transitted China. We believe that the "Star" does not have sources either inside or outside China who would have reliable access to the kind of information presented in the article in question. It is, therefore, highly doubtful that there is any substance to the information.

On 8/13/68, Mrs. ROBERT L. RAWLINSON (MARION E.)

944-1308 advised as follows:

During the first part of January, 1968 she attended a Senate Sub-committee hearing on Indian Education held in San Francisco, California. The hearing was held in the Indian Center, San Francisco and was attended by SENATOR ROBERT F. KENNEDY. Mrs. RAWLINSON said she testified before the committee and while she was at the meeting, she and Mrs. STELLA LEACH, Alameda, California had their picture taken with Senator KENNEDY.

She said when the picture was developed, she noticed a man looking between Mrs. LEACH and Senator KENNEDY that appeared to resemble SIRHAN SIRHAN.

Mrs. RAWLINSON said the hearing was an open meeting and people were allowed into the room without furnishing identification. She said she saw several individuals in the room who were definitely not of Indian decent and wondered at the time what they were doing at the meeting.

MRS. RAWLINSON furnished the photograph to SA HOLT for possible investigative assistance. She said she did not care to have the photograph returned as she had several others.

Re: RALPH WASHINGTON

On 8/7/68, in connection with his liaison responsibilities regarding captioned investigation, SA R. J. LA JEUNESSE, Jr. determined from S. U. S. Unit of the LAPD that one TIFFANY JONAS (telephone 475-5206) has been contacted by the Police Department. JONAS was a volunteer staff worker with the ROBERT F. KENNEDY campaign for President in Los Angeles. In connection therewith, one RALPH WASHINGTON, whom she described to the Police Department as an unemployed volunteer worker for KENNEDY, has, on several occasions, attempted to solicit money from her presumably to pay his rent. In connection therewith, she later learned that ROSELLE BUNDY, another KENNEDY campaign worker, paid \$150.00 to WASHINGTON.

JONAS advised she had an address of 7107 Brynhurst for WASHINGTON. In addition, she obtained a telephone number, 483-8348, reportedly that of a sister, and telephone 751-7502, that of a friend who had reportedly characterized WASHINGTON as a "kook."

SUGGESTED LEAD

It is recommended this memorandum be forwarded to SA RICHARD P. DOUCETTE in connection with his previous interview of JONAS and in the event this information is of substantive value with respect to WASHINGTON.

Re Bureau airtel to Los Angeles 8/5/68.

In connection with the review by the Bureau of Los Angeles reports dated 6/9/68, 6/15/68, and 7/1/68. The following reflects the status of investigation by the Los Angeles Office:

~~LOOK~~, STOCK AND BARREL GUN SHOP

1. The family of SIRHAN is being interviewed re his ownership of a pair of white duck pants.
2. In connection with LARRY ARNOT and DONNA HERRICK the Los Angeles Police Department afforded a polygraph examination to them on 8/5/68 and 8/6/68 respectively. Copies of the complete results of these examinations will be included in a forth coming Los Angeles report.

During the course of investigation tracings at points where crucial questions were asked suggested that ARNOT was being untruthful concerning seeing anyone with SIRHAN at the gun shop on 6/1/68. It was the conclusion of the examiner that ARNOT did not, in fact, remember SIRHAN or the transaction of 6/1/68.

ARNOT stated he confused the sale of the ammunition to three other individuals and could not truthfully recall SIRHAN being in the store on 6/1/68. He knows he made the sale due to the receipt, but cannot recall SIRHAN or the sale.

He stated he was mislead by DONNA HERRICK, who told him that SIRHAN and two other men had been in the store on 6/1/68.

During the course of the polygraph examination of DONNA HERRICK tracings at points where crucial questions were asked indicate strongly that Mrs. HERRICK was being untruthful.

Upon conclusion of examination Mrs. HERRICK was advised that she was either mistaken or deliberately untruthful, but she could not honestly say that she remembered seeing SIRHAN or talking to him in person. Mrs. HERRICK admitted she was confused, but she did believe SIRHAN had been at her store. She was advised that the results of the polygraph did not show this.

3. In accordance with Bureau instructions, investigation of this phase is being pursued so that this area may be completely resolved.

AREA OF SHOOTING

4. Investigation is being coordinated between information by BIDSTRUP and a Los Angeles Fireman to resolve whether or not the unknown male was ~~SIRHAN~~ BISHARA SIRHAN.
5. It is the belief of the Los Angeles Office that the Los Angeles Fireman is identical to HAROLD L. BURBA. Results of interview with BURBA in Los Angeles are in report dated 6/15/68, page 79. Further coordination will be made to determine if this is the true identity.

6. Investigation is being conducted into WILLIAM F. GARDNER to determine the source of the pamphlet, which bore the caption, "Kill Kennedy".

AMBASSADOR HOTEL

7. WILLIAM F. GARDNER, Chief Security Agent, Ambassador Hotel advised that many of the employees used on the night of 6/4/68 were hired on a temporary basis for these nomination events. The matter of the employees will be pursued by this office.
8. Los Angeles report dated 6/9/68 reflects that the automobile belonging to SIRHAN BISHARA SIRHAN was located on June 5, 1968, in the 3200 block of New Hampshire Avenue, which is close to the Ambassador Hotel. This information appears on page 266 of the designated report.
9. The Jordanian couple referred to by GERALD PARMENTER is identical to MAWAD MOHAMMED SABHA and his wife, SIGRID SABHA of Alhambra, California. Results of interviews with these individuals appear in Los Angeles report dated 7/1/68, pages 671 and 673.
10. Information was developed by the Los Angeles Office that newspaper men ran through the hotel grounds at approximately 12:15 a.m. in the morning of 6/5/68. Additional research will be conducted to resolve this point.
11. It is believed by the Los Angeles Office that the individual referred to by JOHN SHAMEL is identical to MICHAEL WAYNE, who ran through the hotel lobby and was arrested by a security guard. Results of interview with WAYNE appear in Los Angeles report dated 8/7/68 on page 550.

LA 56-156

- 12-13. Additional investigation is being conducted at the hotel re these items as apparently several individuals resorted to subterfuge to attempt to enter the various rooms where KENNEDY was to appear.

WASHINGTON, D.C. 20505

7 AUG 1968

TO: Director
Federal Bureau of Investigation
Attention: Mr. S. J. Papich

FROM: Deputy Director for Plans

SUBJECT: Report on Rumor About Robert Kennedy Being Shot

1. This office has been informed of a rumor similar to that reported in our out teletype number 06680 of 8 June 1968.

2. On 23 July 1968 our representative in Mogadiscio, Somalia, was contacted (but not deliberately sought out) by a Mr. J. Christian Kinney, a United States citizen, who volunteered information about a rumor of Robert Kennedy having been shot. Mr. Kinney reported that on 18 May 1968 he stopped in Beirut, Lebanon, while enroute to Mogadiscio, with his wife and child. On the evening of May 18th he entered the Phoenicia Bar, Phoenicia Hotel, Beirut, about one-half hour before closing time. This was either 2130 or 2230 hours according to Mr. Kinney. At the bar Mr. Kinney struck up a casual conversation with a Mr. Joseph Strong, a United States citizen. During the conversation Mr. Strong inquired if Mr. Kinney had heard that Robert Kennedy had been shot. Mr. Kinney replied that he had not, and Mr. Strong said that he had heard this just before coming to the bar from a man he did not identify. Mr. Kinney and Mr. Strong reportedly felt that if this were true it would appear in the newspapers the next day, which, of course, it did not.

3. On 19 May Mr. Kinney left Beirut for Jidda, Saudi Arabia, where his company has business. He questioned some of his colleagues in Jidda whether they had heard a story about Robert Kennedy having been shot. The colleagues disclaimed having heard this so Mr. Kinney attributed the story to being a "typical Middle East coffee house rumor", and forgot about it. Mr. Kinney also met Mr. Strong in Jidda during the week of 19 May, and no mention was made by either party about the rumor that Robert Kennedy had been shot.

4. According to our representative in Mogadiscio Mr. J. Christian Kinney is employed as a consultant by the Middle West Service Company, 69 West Washington Street, Chicago, Illinois. He presently is assigned to Mogadiscio as the chief consultant to the Mogadiscio Water Agency on a United States

Agency for International Development (USAID) project. Mr. Kinney is described as being a bright, pleasant, young man in his early thirties who appears to know his business, and is well thought of by USAID officials in Mogadiscio. His wife is reported to be Ecuadorian, and they have one child.

5. The files of this office contain no identifiable information on J. Christian Kinney. Our representative in Mogadiscio reports that Mr. Kinney presently is undergoing a security check for the purpose of permitting him to have access to "need-to-know" classified information in connection with the USAID Mogadiscio water project. It is possible, therefore, that USAID Washington may have information on Mr. Kinney.

6. Our representative in Mogadiscio reports that Mr. Kinney described Mr. Joseph Strong as being the Middle East Sales Manager for Raytheon. According to Mr. Kinney, Mr. Strong is based in New York and travels to his sales territory several times a year. It is possible that Mr. Strong may be identical with Joseph Addington Strong who was born on 5 October 1911 at Chattanooga, Tennessee. According to information dated mid-1967 Joseph Addington Strong resided at 743 Wellesley Street, Weston, Massachusetts. He was employed by the Raytheon Company, Wayland, Massachusetts, as International Sales and Projects Manager, Surface Radar and Navigation Operation. He has been employed by Raytheon since 1950.

7. This office conducted national agency checks on Joseph Addington Strong in 1964. The checks included the Office of Naval Intelligence (ONI); Department of State, Passport Section; House Committee on Un-American Activities; and the Federal Bureau of Investigation. The checks developed no unfavorable information. In 1962 ONI completed a favorable background investigation on Strong. The investigation was predicated on his civilian duties in a contract capacity.

Re: Photographs of
KENNEDY Victory Speech -
Ambassador Hotel

The subject of this memorandum pertains to two photographs obtained during the course of this investigation on which there appears on the rear of each photograph, "Photo By BOB SHULTZ." One of these photographs depicts ROBERT F. KENNEDY and members of his entourage in what appears to be the Embassy Ballroom of the Ambassador Hotel apparently following his victory speech. The other photograph is an enlargement of the left portion of the above described photograph wherein there appears an individual who could be considered possibly resembling SIRHAN BISHARA SIRHAN.

On 8/7/68, Detective Sergeant SANDLIN, LAPD, S. U. S., advised SA R. J. LA JEUNESSE, Jr. that these photographs were exhibited to MUNIR SIRHAN and MARY SIRHAN, brother and mother respectively of SIRHAN BISHARA SIRHAN. Both advised these photographs are not pictures of their brother and/or son. In addition, SANDLIN advised that detective personnel of the LAPD, who have had some personal contact with SIRHAN BISHARA SIRHAN, concur that the photograph is not that of SIRHAN.

RE: ETHEL KENNEDY

On 8/8/68, Detective Chief ROBERT HOUGHTEN, Los Angeles Police Department (LAPD), advised that his office has been in telephonic contact with STEVEN SMITH, brother-in-law of the late Senator ROBERT F. KENNEDY. The contact was relative to the LAPD's desire for an interview of Mrs. ETHEL KENNEDY regarding the shooting of her late husband at the Ambassador Hotel in Los Angeles on 6/5/68. SMITH, according to HOUGHTEN, advised that Mrs. KENNEDY would not submit to an interview by Agents of the FBI or by the LAPD and it was SMITH's opinion that she could contribute very little if anything of significance concerning the shooting. He agreed, however, to contact her in behalf of the LAPD providing that agency would submit a list of questions they desired her to answer. Upon receipt of such a letter SMITH advised he would discuss with ETHEL KENNEDY the questions and there after furnish the results to the LAPD.

The foregoing is furnished for information and Los Angeles is taking no action at this time regarding this phase of the investigation with respect to an interview with ETHEL KENNEDY.

RE: JOSE A. PEREZ QUESTA
Calle, Maria B. Sanchez #46
Enriquillo, Dominican Republic

Information concerning JOSE A. PEREZ QUESTA has previously been made the subject of a memorandum and a letterhead memorandum to the Bureau.

Also, as has previously been reported investigation was conducted by the writer at Immigration and Naturalization Service (INS) in Los Angeles regarding one JOSE PEREZ. Known examples of the signature of the JOSE PEREZ mentioned in INS files were made available to Mr. JOHN HOWARD, Los Angeles County Deputy District Attorney. Mr. HOWARD made arrangements for a comparison of the signature of JOSE PEREZ with the handwriting of JOSE A. PEREZ QUESTA. As a result of that examination, it was the opinion of a handwriting expert in the office of the Los Angeles County District Attorney that the signatures of JOSE PEREZ were not prepared by the author of the JOSE A. PEREZ QUESTA letter.

Attached hereto is all of the information furnished by Mr. GEORGE STONER, Chief of the Los Angeles County Bureau of Investigation, pertaining to this matter.

Dear Attorney General:

Mr. Thomas Lynch and other personnel who work in the Supreme Court of Justice of Los Angeles, I take this moment to extend my greetings to all of you and kindly request you to assist me in something very important which must be said:

Mr. Lynch I want to kill Sirhan Bishara Sirhan. I want to fight hand to hand with this Jordanian devil.

Mr. Lynch I wish that you would afford me the opportunity to give what he deserves to this cowardly assassin. I would like to confront him on the battlefield, fist to fist with this dirty assassin in order to hit him strongly with my fist and after killing him to take him apart piece by piece with my teeth and if it is possible to eat him also, because this dirty Jordanian does not deserve a different death since Sirhan Bishara Sirhan took the life of an idealistic man and humanitarian as Robert F. Kennedy. Robert F. Kennedy was the hope of a tranquil and happy world and the hope of all the poor people because Robert wanted peace. May peace rest with the soul of Robert.

My hope was Robert, but he doesn't exist any more. And neither do I have any hope and therefore I do not want to live. Robert undertook to help me; I will send an application to the Department of State of the United States. A deep love united me with Robert and I looked toward him as my own father because upon him depended my future, but Robert is dead. They have also

killed my hopes and my dreams in this perverted life and myself now I want to avenge his death because I want to take an eye for an eye with this Jordanian devil. I want to destroy him with my fists and my teeth. I want to finish him. I want to destroy him piece by piece. Mr. Lynch would you kindly help me, but if you don't it will kill me and if you do not have the authority to authorize a bloody battle with this Jordanian dog and me, you ask the authorities of the government of the United States to see if they can authorize such a thing. FROM : SA R. J. LA JEUNESSE, JR.

SUBJECT: KENSALT

DATE: 8/9/68

On 8/8/68, a conference was held at the LAPD regarding captioned matter. Present at the conference and participating therein were the following individuals:

Deputy Chief ROBERT HOUGHTON, LAPD

Lieutenant MANUEL PENA, LAPD

Sergeant PALCHETT, LAPD

DAVID FITS,
Deputy, Los Angeles County District Attorney

JOHN MINER,
Deputy, Los Angeles County District Attorney

GEORGE STONER,
Chief, Bureau of Investigations,
Los Angeles County District Attorney

Lieutenant ENRIQUE HERNANDEZ,
LAPD

SA R. J. LA JEUNESSE, Jr.,
FBI, Los Angeles

In addition to the foregoing, there were also present two or three other Detective Sergeants assigned to the S. U. S. Unit of the LAPD.

The purpose of the conference was to discuss the progress made to date in the investigation of the assassination of former Senator ROBERT F. KENNEDY. In the opinion of Lieutenant PENA, who is in charge of the Case Preparation Team, the work of that unit would probably be completed within the next six weeks.

Mr. FITS commented that he has been instructed by District Attorney EVELLE J. YOUNGER to prepare separate files on all witnesses interviewed by all law enforcement agencies during the course of this investigation. He stated that Mr. YOUNGER desired this information, because it is his expressed intention to have the final say-so on who will be subpoenaed in connection with the trial.

It is the intention of FITS in prosecuting the case to concentrate on what took place in the pantry area of the Ambassador Hotel, the scene of the shootings. In addition, it is his further intention to concentrate on the range of this investigation, a reference to SIRHAN's activities at the Sun Valley Gun Club, 401 Fish Canyon Road, Duarte, California. FITS speculated that he plans only to use the testimony of handwriting experts and SIRHAN's obtaining of ammunition.

With respect to SIRHAN's possession of the murder weapon, it is the intention of FITS to call as prosecution witnesses MUNIR SIRHAN, GEORGE ERHARD and WILLIAM EDWARD PRICE. There was some discussion during the conference of the fact that MUNIR could be prosecuted for being an alien in the United States with a gun. Chief HOUGHTON advised FITS that it was the intension of his department to present to the District Attorney for a prosecutive opinion the fact that MUNIR had a gun in his possession.

With respect to the "medical aspect" of this investigation, it is the intention of Deputy District Attorney JOHN MINER to journey to the States of Michigan and Wisconsin accompanied by Lieutenant ENRIQUE BERNANDEZ of the LAPD (a polygraph operator) and Dr. POLLOCK (a prosecution psychiatrist). The trip will be made for the purpose of interviewing TERRY WELCH, currently residing in Michigan, and HENRY PETERS, currently residing in the Jamesville, Wisconsin area. It is anticipated this trip will be undertaken on or about 8/20/68, when Mr. MINER has other commitments in the Cleveland, Ohio area.

There was some discussion pertaining to television film obtained from ABC, CBS and NBC during the course of this investigation. As a result of the conference, it was determined that if a copy of the CBS film obtained by the LAPD would be reproduced, that the copy could be edited, if necessary. This course of action was decided upon because CBS, in previously making available their television film requested that it not be cut or edited.

A request was also made by Chief HOUGHTON for the FBI, if possible, to identify a representative of the British Broadcasting Company (BBC) who was reportedly present at the Ambassador Hotel the night of the shooting of Senator KENNEDY. This information apparently was furnished by RICHARD DREW of Pasadena who advised the LAPD that the BBC representative was present. Detective Sergeant COLLINS, who was also present at the conference, advised he would obtain the name of the BBC representative.

Some discussion was also had pertaining to the allegation that SIRHAN had purchased a drink at the RAFFERTY campaign headquarters sometime during the evening of 6/4/68 for which he allegedly paid a \$20.00 tip to a female serving drinks. Investigation has failed to establish the identity of any such individual. This discussion was resolved when it was mentioned that the RAFFERTY Campaign Headquarters did not have female employees serving drinks on that particular evening.

Mr. FITS explained that under the Law of Discovery in California, the defense attorney would have access to information furnished by the witnesses which the prosecution intends to utilize. In connection therewith, FITS explained that Deputy District Attorney YOUNGER has consulted with United States Attorney W. MATTHEW BYRNE, Jr. relative to furnishing copies of all FBI reports to the defense attorneys. No firm decision has been made with respect to that phase of the prosecution's intentions.

On June 10, 1968, cartridge casings were obtained from the Sun Valley Gun Club, 401 Fish Canyon Road, Duarte, California, as previously indicated and reported in this matter. These casings were obtained by Special Agents IRVIN B. WELLS, III, ROBERT H. MORNEAU, Jr., CHARLES W. BADGLEY, and GEORGE M. KLING. These casings were retrieved around and in front of firing positions Numbers 1, 2, 3, 12, 13, 14, 15, 20, 21, 22 and 23, as a result of interviews conducted with various individuals who were at the San Gabriel Valley Gun Club range on June 4, 1968.

These casings were packaged and sent to the FBI laboratory for examination. The FBI laboratory reported to the Los Angeles office on July 5, 1968, that in view of previous firearms examination conducted by the Los Angeles Police Department (LAPD) and the apparent limited value of the resulting information to this case, the cartridge cases would not be examined by the FBI laboratory and were returned via air express to the Los Angeles office.

On July 16, 1968, all casings submitted to the laboratory were turned over by SA GEORGE M. KLING to Sergeant MIKE MC GANN, LAPD, for such examination as they deemed necessary.

Subsequent investigation in this matter following the decision by the FBI laboratory not to examine the previously submitted cartridge casings resulted in the procuring of additional cartridge casings from the San Gabriel Valley Gun Club around firing positions 6, 7, and 8. In view of the FBI laboratory's decision regarding previously submitted casings, these additional casings were not submitted to the laboratory but were maintained in a secure place in the Los Angeles office of the FBI. At the time that the casings which were submitted to the FBI laboratory were turned over to Sergeant MIKE MC GANN, LAPD, the cartridge casings retrieved at a later date likewise were turned over to Sergeant Mc GANN.

Mr. BYRON M. STONE, Assistant Postmaster, 2271 North Lake Avenue, advised that a search of his Post Office Box records of the Altadena Post Office, with the aid of Mrs. TAHOSA MC MAHON, Secretary to the Postmaster, failed to reveal any rental information to indicate that Box 35 had been rented to anyone who was a representative of a publication called "The Opinion".

He said usually the index card showing the history of a box rental is destroyed when the card shows no activity for four years. He said the card showing the last rental of Box 35 indicated it had been rented to the last renter from February 1963 until 1968, and there was no card showing any rental prior to 1963. He said there was no reference to "The Opinion" in his files and no rental information for Box 35 in 1962.

JACK WEINGARTEN, President, Del Monte Sportswear, 1407 South Maple Avenue, advised his firm are manufacturers of women's wearing apparel under the label of Jodette of California, and this label is distributed to four thousand outlets throughout the United States. He said his firm also manufactures and distributes women's wearing apparel under numerous other trade style names (label).

Mr. WEINGARTEN verified, after a review of the current company style book, that his firm manufactures a junior petite, sleeveless, polka dot dress. He further identified the dress as having black dots with a white background, with a bib front, accentuated with black piping, and having a distinctive black bow at the neck. He said the dress is identified in the company style book as being Style Number 4864, Lot Number 7028. He explained a junior petite dress is a dress size description ranging from size 5 to size 11.

Mr. WEINGARTEN said his firm does not currently manufacture a polka dot dress described above and having a 3/4 length sleeve. He said he has a record of all dresses manufactured by his firm dating back to the summer of 1962.

SUBJECT: **CHANGED INTEROFFICE
SOBEL CHEEK;

DATE: 7/29/68

OO:IP

Re IP airtel to Bureau, 6/28/68.

Title marked "CHANGED INTEROFFICE" to reflect identity of subject as SOBEL CHEEK as determined through interview of CHEEK. Title previously carried as "UNSUB; SIRHAN BISHARA SIRHAN - VICTIM."

On 6/28/68, ED SLUSHER, 229 North Hackley, Muncie, Indiana, was interviewed and denied making threatening telephone call to California on 6/6/68. SLUSHER stated his telephone number is 2888392 and his father, DELANEY D. SLUSHER, who is 78 years of age, has telephone number 284-5544. SLUSHER said his father has been to his home only one time in the last year and that was in the spring.

ED SLUSHER, who is divorced, stated that the only person residing with him is SOBEL CHEEK who has resided with him since 1941. He said CHEEK had formerly worked for Marhoefer Meat Co. in Muncie but now just does odd jobs such as cutting grass. SLUSHER said CHEEK was a great admirer of Senator ROBERT KENNEDY.

SOBEL CHEEK, white male, born 10/17/19, Salyersville, Kentucky, interviewed and orally admitted making telephone call to California on 6/6/68. CHEEK said he is not an alcoholic but drinks quite a bit. CHEEK stated that on 6/6/68 he had been drinking and about 9 or 10 in the evening he made a telephone call from the residence of ED SLUSHER, 229 North Hackley, where he CHEEK resides. He told the telephone operator he wanted to make a long distance call to the Chief of Police in Los Angeles, California. He told the operator he was calling from 284-5544. The number from which he was actually calling was 288-8392, but ED SLUSHER had been complaining

about calls having been charged to his number so he told the operator he was calling from 284-5544 which is the telephone number for ED SLUSHER's father in Muncie. The operator had told him the line was busy so he asked for the chief of police at San Francisco, California. He talked to a desk sergeant at the San Francisco PD regarding the individual who had killed ROBERT KENNEDY and told him, "We don't want things to happen like they did to President KENNEDY. Why don't you keep him under good care, give him a trial, let people know what's going on, give them a good example, and let the courts take care of it." He denied making any threat to kill the person who had assassinated Senator ROBERT KENNEDY. CHEEK had been arrested in 1940 for Breaking and Entering at Salyersville, Kentucky, and served seven months at LaGrange Reformatory, LaGrange, Kentucky.

On 6/28/68, facts telephonically discussed by SA WILLIAM R. LISTON with DAVID L. CASTERLINE, AUSA, SDI, Indianapolis, who declined prosecution of CHEEK as not being in the best interest of the Government.

Closing report will be submitted.

pertaining to WALTER CRONKITE, Columbia Broadcasting

WALTER CRONKITE dated 6/6/68 from BERT H. MOORE, not
further identified, of Litchfield, Illinois.

Mr. MOORE writes that on the CRONKITE TV show
of 6/3/68, which showed Senator ROBERT KENNEDY riding on
a truck, Mr. MOORE recalls seeing a person in the
crowd raise his arm, point it at Senator KENNEDY and say
"Bang".

Los Angeles requested New York to review the
TV film referred to at CBS.

CBS, which has always been cooperative, has
recently displayed an aversion to unnecessarily going
through the time and expense of setting up film for review.

However, Mr. MARTIN GROTHUES, Attorney, CBS
stated to SA THOMAS HARRINGTON that he has looked at the
film and noticed nothing undue in it.

SUBJECT: KENSALT

WAYNE J. BRANTLEY, an acquaintance of SIRHAN, was interviewed on 6/9/68 by SA DEAN E. KEIL. (Report dated 6/15/68, page 193)

BRANTLEY advised that during 1963 it was his understanding that SIRHAN, while attending Pasadena City College, did part-time evening work at PEAK's Hamburger House (now known as Taco Treat), located near the intersection of Halstead and Foothill Boulevard, Pasadena.

AMBASSADOR HOTEL

7. Interview of hotel employees in most instances does not set out length of employment. With conspiracy in mind, the possibility of aid to SIRHAN by an employee cannot be overlooked, hence those employees recently hired may warrant further inquiry into their activities.

12. Page 56 of report dated 6/15/68. IRENE WISHNUCK stated an unknown person tried to obtain a hotel uniform. Resolve.

13. Page 69 of report dated 7/1/68. According to FRANCES BAILEY, two caucasian males attempted to get waiters jackets to get in to see KENNEDY. Resolve.

LEAD

In connection with the interview of WILLIAM F. GARDNER, previously assigned you as lead No. 6, GARDNER or a responsible employee at the Ambassador Hotel should be interviewed to make a determination as to the number of employees usually hired on a night-to-night basis for special events such as the night of 6/4/68, when numerous political headquarters were set up in the hotel. This information should be reported on an FD-302.

GARDNER should also be interviewed in connection with attempts made by persons seeking to gain entry into the various rooms, such as the Embassy Room, and who, lacking credentials, utilized various guises and pretenses in an attempt to gain entrance. This data should be recorded on an FD-302.

LOCK, STOCK 'N BARREL GUN SHOP

Investigation at the Lock, Stock 'N Barrel Gun Shop reflects information from LARRY ARNOT, salesman, that SIRHAN, accompanied by two other individuals, purchased ammunition on 6/1/68. This data was verified by sales slip found in SIRHAN's car. Mrs. DONNA HERRICK, wife of the owner of the shop, alleged that SIRHAN and two individuals had been in the shop on 4/3/68 looking for armor-piercing ammunition.

LEAD:

Inasmuch as ARNOT has identified a photograph of SHARIF as resembling the individual who was in the gun shop, and Mrs. HERRICK also felt there was a certain resemblance to MUNIR, the opportunity of having ARNOT and Mrs. HERRICK view the brothers should be arranged. Arrangements were previously made by the police to have a show-up, and inquiry was being conducted with RUSSELL E. PARSONS, attorney, to handle this matter. SA LA JEUNESSE should ascertain the current position regarding the show-up, bearing in mind that MUNIR has already taken a Polygraph, which reflected that he has never been in the Gun Shop. Officer ENRIQUE HERNANDEZ has been in contact with LARRY ARNOT regarding whether or not ARNOT could have been mistaken as to two other persons being with SIRHAN on 6/1/68.

LEAD:

(1) At the Los Angeles Police Department determine when show-up could be made.

(2) Determine what information HERNANDEZ has been able to ascertain from ARNOT and whether or not ARNOT has been given a Polygraph as was suggested at a recent joint conference.

3. Page 608 - 652 of report dated 7/1/68 deals with investigation concerning an allegation that SIRHAN BISHARA SIRHAN was overheard to make a statement to the effect that "We will get KENNEDY" at the Golden Garter Bar. Investigation would indicate that an individual named ROBERT ANDRESE may have been mistaken for SIRHAN. Extensive investigation should be conducted in order to positively resolve this aspect.

Specifically, the following individuals should be located and interviewed:

DON TRUMBLE (Page 609) *Ord.*
"WALKING BILL" (Page 642)
KATHY VENNE (Page 609)

In addition, appropriate steps should be taken to show beyond any doubt that ANDRESE is the individual with whom STEVE STUART shot pool.

LEAD:

It should be noted that ANDRESE has been interviewed on Page 627. It should also be noted that STEVE STUART has never shot pool but is merely identified as an individual who might have seen SIRHAN in the Golden Garter. Dear Sir:

Yesterday, the 22nd, I received an envelope postmarked from Philadelphia on the 18th. The envelope had been opened and its original letter removed. In its place was a peculiar note concerning an accomplice in the death of Robert Kennedy. Enclosed is a Xerox copy of both the envelope and the note.

About five days ago another one of my letters had been opened. It contained pictures so it was scotch taped and received intact.

I have no desire to prosecute the one who tampered with these letters. He evidently was trying to get this information through to someone for attention. He may be demented and then, again, he may not.

As I am attending Summer classes, I will be here only until August 9. If I can give you any further information, I'll be glad to do so.

Re HENRY R. RAMISTELLA, also known as Frank
 Donnarumma, FBI No. 365 697-C.

A review of the notebook belonging to SIRHAN B.
 SIRHAN, which was located at his home following his
 apprehension, reflected the name of FRANK and DONA
 DONNARUMMA.

In addition to the name appearing in SIRHAN's
 notebook, information was received from the Detroit Office
 that TERRY WELCH, who had been employed with SIRHAN at a
 ranch in Norco, California, advised that SIRHAN was
 friendly with a FRANK DONNARUMMA who was employed as a
 trainer at the Granja Vista Del Rio Farms.

BERT ALTFILLISCH, manager of the farm where
 SIRHAN was employed, advised that DONNARUMMA and his
 wife, whose name he did not know, were both alcoholics.
 ALTFILLISCH stated that about three months ago he received
 a long distance call from DONNARUMMA and that DONNARUMMA
 had indicated he was presently living and working in either
 Newark or West New York, New Jersey. DONNARUMMA claimed

at that time that he was working at a tire manufacturing company. ALTFILLISCH said that DONNARUMMA was hopelessly in debt when he had left Riverside, California, and is probably in the same situation in the Newark area.

The Newark Office conducted investigation in that area but was unable to locate any address for FRANK DONNARUMMA. Records of the New Jersey State Police concerning horse track employees, trainers and owners reflected a SALVATORE DONNARUMMA of Brooklyn, New York, and a SEBASTIAN F. DONNARUMMA of Philadelphia, Pennsylvania, who were connected in an owner and trainer capacity at the Freehold Raceway. Both of these individuals were interviewed but claimed not to be related to or to have any knowledge of FRANK DONNARUMMA.

The records of the Riverside Sheriff's Office in Riverside, California, where DONNARUMMA was arrested as HENRY DONALD RAMISTELLA on 7/4/67, were reviewed, but no information was developed that would indicate the present location for DONNARUMMA.

Information was also received concerning DONNARUMMA from the New York Office based on information received from SPENCER DRAYTON, Executive Vice President, Thoroughbred Racing Protective Bureau (TRPB). DRAYTON was contacted by representatives of "Life" magazine concerning the fact that DONNARUMMA had been a friend of SIRHAN B. SIRHAN. DRAYTON stated that according to their records this individual was HENRY RONALD RAMISTELLA, also known as Frank Donnarumma, whose date of birth was 3/25/32 or 3/25/34. His Social Security No. was [REDACTED] and his FBI No. was 365 697-C. TRPB records contain information concerning reported violations in connection with horse racing on the part of RAMISTELLA up until 1956 when the stewards at the New York tracks barred RAMISTELLA from employment, however, no formal ruling to that effect was issued.

In January 1966, RAMISTELLA was fingerprinted at Santa Anita Racetrack under the name of FRANK DONNARUMMA. TRPB records contain no information which would indicate the current whereabouts of DONNARUMMA. Set forth below is identification record of RAMISTELLA under FBI No. 365 697-C.

Unknown Subject, also known as

Threat Against 1968 Presidential
Candidate
Information Concerning United
States Senators Robert Kennedy
and Eugene McCarthy

On June 10, 1968, Joseph Willard "Pappy" Luke, owner of Pappy's Stew House, General Delivery, Highway 90, Raywood, Texas, advised he had been attempting to recall more about the man who came into his restaurant on May 23, 1968 and made various claims about the man's intention to kill a senator in California. Mr. Luke recalled the man stated he worked coast-to-coast but he did not mention any person or company names with which he was affiliated. Mr. Luke advised the man may have said he was a food broker rather than being employed by the Broker Food Company.

Luke advised the man was either Syrian, Italian or French. Luke advised he had a nose like a Syrian. The man wore a felt snap-brim business hat, color unknown, low over his right eye. The man was wearing a dark gray business suit, cut of the suit unrecalled. Tie description unknown. The man was not wearing a coat handkerchief or lapel pin to Mr. Luke's recollection. The man was quite nervous, his voice trembled and his hands shook slightly. The man spoke very good English with no accent noted. The man's sentence structure reflected he was well educated. The man had a large brown leather wallet which opened like a book (coat wallet). The wallet was peculiar in that it had a zipper all the way around the circumference of it. It had a ring in one corner and a silver chain which connected the wallet to the man's belt. The man wore the wallet in his right rear pocket and the chain hung straight down and was tied at his right side. The man had a large roll of dollar bills. The man did not smoke while he was in the restaurant and displayed no smoking paraphernalia.

The man purchased an 85 cent bowl of stew and paid
Luke \$1.50.

Luke advised there was no one in the restaurant
just prior to, during, or after the man's presence in the
restaurant. Mr. Luke did not recall anyone going by the cafe
that might have looked in and seen the man and no one has
ever mentioned to Luke having seen the man. Luke felt certain
he would recognize the man if he were to see him again.

2025 RELEASE UNDER E.O. 14176

July 25, 1968

Dear Sir or Whom It May Concern,

I probably have no right to interject my 2¢ worth into your problems you have before you at this time ^{and} more than likely you will at first be somewhat antagonistic at what I am going to write but I only pray in some small way a little light of opening will make you see the whole and not just a part. As I say I may be wrong in the entirety of what I deduce but maybe in part something will be a key to a problem. I think this needs to be done to help and prevent others

either male or female from committing a similar act.

Mr. Sirhan did a tragic thing which as I see it gave him not only under condemnation by our courts, of course, but being of Jewish blood, under their laws and having killed a Gentile under their revenge. So the young man had by feeling a ball of fire around him.

From the snatches in the news I can glean from his life, he was a quite intelligent lad at school, he was not known to be really rabid as others who met at these meetings but seemed to be of a calmer higher intellect. Now, how could a wise

(2)

man walk in where fools
would dare to tread? And
the song goes, wise men never
fall in love so how are they
to know.

The past few years and es-
pecially the last year or so
there has been among the young
people especially ² some older
lately people a leaning
toward the study of what
is called meditation on the
line of Vishnu or Buddhist.
The difference between those
2 is Vishnu was embodied
God where Buddha was a
man looked upon as a God,
I believe. I don't believe
you will find idols or
images of Mahammed, or
Vishnu, that they were consid-
ered teachers. But Buddha

has many ponderous likenesses.

I had an acquaintance
that got drawn to the sea
(which are quite a superstitious
lot and get easily led down
the wrong paths to roll them
for their earnings). I as
one raised Christian heard
so many different philosophies
I took books from the
library to see what some of
these things were about. Also,
although we were taught old
Testament when young we
were guided more by New
Testament and it has been only
lately that I have went through
the door book to read prophecy
and the chronicles of those
peoples.

So, I keep up with all
news, even though I have to

(3)

search the newsstands hither
and yon to find the articles
pertaining to what I feel is
important news today hid
behind the cover of a
magazine with a bikini
sticking me in the face.
I see where the lower part
of India flies the Communist
flag, in Church periodicals
where Church land has been
appropriated for the Communists
by aggressive means. The
psychology in espionage is to
try to fast break down the
loyalty of a country. If you
read well into Russian history
nothing is really different there
except the teaching of God to
those under 18. Under the
Czars they had Communism, which
were probably more like the

panatarians for T.B. people
afterwards & retarded the
Secret police were there
then. Closing the church
door and that teaching led
to youth was the only difference
This, I suppose, was the real
gradual conditioning to what
Communism, but Nationalism
which term is used on the
other side of the pond
before the Revolution to explain
this so-called later Communist
movement. I believe if you
go back into the Bible to
the "reign" of David in those
40 years you find the same
fear of such a thing
happening to them. If you
don't know what seeds are
such as Rod, you better go
out of your chambers and

(4)

visit some of your extreme
religions down there. Every
time, as I see it, they had ^{enough}
enemies that wished to
cut off their seed. They were
given stones to touch or
worship (to like in X-Ray
work blazers) to sterilize
them. I look upon the Tablets
out of Egypt a trick except
God intervened. When David
put another Kings crown on
his head with jewels in it
I'm afraid the seed came
right with those stones. So
David became over come.
When the Nazis wanted the
jewels of the Jews I'm afraid
they wanted something more
they knew nothing about ^{and}
which the Jews which had
them really knew nothing

about those stones and even the
gold of the ark must have been
terribly radioactive. If you
read David went into the
temple and a snake went up
afterwards he has younger
men as Levites and he makes
them bakers of bread - or what
or over what? But the 10
commandants were on the stones
radiated into the bread, they
ate the bread and as they
say the quickest way to a
man's heart is through his
stomach. Later Christ said
to his apostles - He who eats
of this bread and drinks of
this wine has the Holy Ghost
in him. Well anyway, I'm
getting way deep into some-
thing which I'm sure you
can read and "see" yourself.

(5)

Bishran Sikhan was studying Vishnu as he would have called for the book "The Master" right away. So I say Communists are trying to break down India's Religion by capious means. Now I have read on this. There is some Institute by the sea in California with a what we call Swami, who teaches this or who counsels maybe the Hindu peoples there whether he really teaches or passes this on to others is in my estimation dubious, he is only a sort of minister or priest to those that are there. Well Vishnu is not transmitted between unclean peoples like some secret clubs today the "Master" does not even start

giving revelation until he
knows the "pupil" is prepared
morally, physically and
spiritually. He can shut off
this anytime he feels his
pupil is out of line with
God and man. They do not
tack or speak as I read it
only by vision. This boy
received definite instruction
and by voice or word
evidently. As I say pressed tales
murder would have stopped
all revelation before he went
ahead. Now they have in the
back of these far out publications
many advertisements for lucky
charms, magnetism, hypnosis
judo etc. and one is a device
to throw the voice.

What I want you to do just
for a test is have the Jewish

(16)

Rabbi and the teacher of
Tishome talk to this day.
Head flies in the scent
of the apocathary doth send
forth a stinking favour so
doth a little filly who is in
reputation for wisdom and
honor. So this young man
would never admit with
all his intelligence that he
was rather stupid. Remember
all foreign students study
our subjects math psychology
etc. and a good, real good student
being foreign born and probably
unaccustomed to the "easy"
life he didn't know when he
was "duped".

I did this out of love
for a girl in a polka-dot
dress and eventually she had
the gun first in her purse or

in her, then as I say wise man
have to watch when they fall
in love. If he did this with
full knowledge of everything
involved then I can only
pray for his soul but if he
was "duped" then may God
curse those who precipitated
such a thing.

There is a certain man, who
lives in your midst afraid
or, who I am presuming is
an ex-minister of England
whom made a trip just before
this happened. Robert Kennedy
had hosted George Bernard
Shaw and Shaw was an
organizer of the Fabian
Society in England and around
the world. This as I see it
was a form of socialism.
All these governments except

(7)

France are Socialistic in name, even Nazi Fascist and Communist. Also, Britain always had Socialism as does every country have a group and Sweden was for 30 years a Socialist country. Wonder if Robert did not "slip" when he mentioned Shaw. Maybe not, it might have been just something he quoted for which he thought fit the bill however, his brother Joe who he really didn't know too well as a boy had as Mrs Kennedy said come back from London with definite Socialistic ideas in his head. Shaw headed up the London School of Economics.

Well, anyway, if he did it openly, then I suppose he was Cusack; if he was duped, then

must be a few other people
taken to task. I'm afraid
they have a different form
of insanity which surpasses
Hishan's intelligence.

I only pray this case will
expose these "tricks" of the
mind, etc. to all the younger
people so they know what
they must fake themselves.
They can always search out and
find willing dupes who have
some kind of complex. I believe
in the gangster language you
call them pawns.

I believe there is some
bookie or horse racing bet
involved in all this. Did
they ever find out who the
chap they stopped at the
door of St Pat's, whose wagon
was registered in Syracuse N.Y.

was after. Who all stood by
that affair between 8 and
12 o'clock and especially
was there inside the church
when this man was going
to go in. I especially notice
the absence of 2 of Robert's
very close friends who I
didn't observe anywhere.
That would indicate to me
the track was still trying to
collect.

As I say I know you won't
be happy with what I suspect.
Please don't answer this as
they owe me just don't see eye
to eye on this and little fisher.

Respectfully,
Dorothy D. Sanborn

It is noted that under point two in referenced letter, the individual referred to as MISTIG is identical to GAYMOARD MISTRI and the results of interview with this individual appeared on page 869 of Los Angeles report dated 6/9/68.

In connection with item six in referenced letter, no interview is contemplated with Dr. SAMUEL W. WEAVER as a review of the medical record reflects that the appointments scheduled with WEAVER were both cancelled. Also in connection with Dr. JOHN T. GARNER, the one appointment that SIRHAN had scheduled with this doctor was cancelled.

Dr. ROBERT G. FREEMAN was the doctor SIRHAN was referred to by Dr. E. G. KIEHN for X-rays and it is noted that the report on the results of these X-rays was signed by JOHN D. RUTLEDGE, M. D., who is associated with Dr. FREEMAN. The entire X-ray report consisted of only two lines indicating no evidence of bone injury on SIRHAN. For this reason, these three doctors were not interviewed by this office and UACB will not be interviewed.

Reference 56-156-1307.

On 6/13/68, Mr. IRVIN G. LEWIS, Dean for Student Personnel Services, Pasadena City College, furnished a list of instructors who taught SIRHAN SIRHAN at that school between 1963 and 1965.

Among those listed was Mr. HENRY CORDELIUS, retired, who taught German to SIRHAN in the fall semester of 1963. Mr. CORDELIUS has not been interviewed, as the writer has been unable to make contact with him.

On 7/31/68, Mrs. PETER ATTALAI, who stated she was a relative of Mr. CORDELIUS and was residing at his house, advised CORDELIUS was traveling in Europe, and was expected to return to Arcadia on approximately 9/15/68. She stated her husband had an exact itinerary of Mr. CORDELIUS while he was traveling in Europe, but the ATTALAIs are leaving Arcadia to return to their home in Plymouth, Michigan on August 3, 1968.

The writer will interview CORDELIUS on his return, and Mrs. ATTALAI has left a note for him to the effect that the FBI wants to interview him.

+ ANWAR MUSA SAYEGH, student at Pasadena City College, who was with SIRHAN between 6:30 PM and 7:00 PM on June 4, 1968, advised that among the acquaintances of SIRHAN was one JOE (LNU), who had been a student at PCC with SIRHAN.

On 6/20/68, IVAN GARCIA, a mutual friend of SIRHAN's and of JOE (LNU), refused to furnish the identity of JOE.

On 7/29/68, Mrs. ERNESTINA GARCIA, mother of IVAN GARCIA, furnished the last name of JOE as MARCOVECCHIO. On 7/30/68, the writer determined from the records of PCC that the last residence address they had for MARCOVECCHIO was 438 N. Carmelo, Pasadena (793-7743). These records reflected he had been born in Buenos Aires, Argentina. On 7/30/68, the writer attempted to contact MARCOVECCHIO at the above address, however no one was at home, and there was no answer at the above telephone number. A note was left for MARCOVECCHIO to contact the writer at this office, but to date, he has not called the office.

TRANSLATION FROM SPANISH

The envelope is addressed to the United States Senate, Committee on Labor and Public Welfare (crossed out), Washington, D. C. 20510.

The letterhead envelope reads:

Committee for Social Services
of the 16th District of Mexico, D. F.
Federation of Popular Organizations
Emilio Carranza, No. 87
Mexico, D. F., Mexico

The postmark is dated Mexico, D. F., June 27, 1968.

(No salutation)

This is an emblem showing the mark on a pistol similar to the pistol with which Bob Kennedy was shot. The manufacturing patent is No. 250921, letter U, registration No. 1727, semiautomatic type, .22 caliber, made at Zacatlan, Puebla State. The brand name is Trejo, which is a Mafia brand name, used for pistols in order to "disorient" insofar as the manufacturing is concerned, especially in regard to the fact that it is made in Mexico. The gun uses lead slugs.

I have had this pistol in my hands and I saw the brand name, which is the same as on the weapon which was used by the assassins of Dr. Luther King. I saw it next to the guns used against Robert F. Kennedy. I saw five of them (sic). They came to Mexico and threatened me with gouging out my eyes and cutting my tongue. They also threatened to kill me with a machine gun in front of everybody so as to give everybody a warning.

They told me that the two were paid two million dollars to kill Bob and said that they would make two million more when they kill me. They said there is only three of us alive and we would disappear promptly.

I am Antonio Albizo Ortiz and I am next as shown in the plan drawn up on the reverse side of this page; the next after the Senator, who is the last of the Kennedys.

(Signed)

Antonio Albizo Ortiz

Mexico, D. F.

June 27, 1968

The reverse side shows the "Secret Plan of the KKK to Assassinate Important Men in the United States." The plan was drawn up by Antonio Albizo Ortiz.

It shows that the three assassinations were planned by LBJ (Luther King, Bob Kennedy and John Kennedy) working hand in hand with the KKK (King, Kennedy and Kennedy).

The plan also shows the letters AA, which stand for the initials of the writer and also for the words "Assassination" and "Threatened with Death" (the word "threat" is "amenaza" in Spanish).

On 8/3/68, Mrs. ELAINE F. O'BRIEN, residing at 3248 Island View Drive, Ventura, California, telephone number 643-1052, telephonically contacted the Los Angeles Office. She advised the following information she was going to relate was furnished to the LAPD two months ago:

She advised on 5/23/68, at around 5:00 p.m. she was at the five points intersection at Ventura. While stopping at this intersection, a rose colored vehicle nearly hit her vehicle. However, the car passed her on the left side and sped through a yellow light. When the car passed her a young male looked out the back window and she is certain that this individual was SIRHAN SIRHAN. She added that on the same date at 5:00 p.m. Senator ROBERT F. KENNEDY was scheduled to speak at a shopping center in Ventura. She recalls an older man and woman in the front seat of the car. She did not obtain the license number nor did she recall the model of the car.

Memorandum of Conversation

DATE: June 19, 1968

SUBJECT: The Case of Sirhan Bishara Sirhan

PARTICIPANTS: His Excellency Abdul Hamid Sharaf, Ambassador of Jordan
Mr. Robert B. Houghton, Country Director, NEA/ARN

COPIES TO:	INR (10)	S/S	Embassy, Beirut
	L	SCA	Embassy, London
	ARN (3)	Embassy, Amman	
	H	Consulate General, Jerusalem	
	U	Embassy, Tel Aviv	

The Jordan Ambassador called on me this morning at his request to discuss the current status of the Sirhan Bishara Sirhan case in California. He was particularly interested in discussing the implications to Sirhan's trial should four Jordanian lawyers come to the United States to either assist the defense of or actually to defend Sirhan in the courts. He said that he was opposed to the lawyers' coming, as it would interject into the case a political element, which we have all been endeavoring to avoid. He mentioned that he had sent a strong message to his Government recommending that if at all possible the lawyers be dissuaded from coming to the U. S. for the above purpose. Now that the Federation of Lawyers in Amman had apparently made a decision to do something about the Sirhan case (he reminded me that the Federation was politically oriented), there was a limit to how much influence the Jordan Government could exert on the lawyers because they were now committed to take some action. He mentioned that he was returning to Jordan for approximately a week in the next few days and that he would do what he could about the situation. The best that could be expected, however, would probably be to persuade the lawyers or the Federation to finance the hiring of a highly qualified American lawyer and to nominate one of their own members to the United States to act as observer during the trial. He was not even sure that this could be arranged.

I told him that we felt strongly that the Jordanian lawyers should not come to the U. S. for the very reason that he had offered. We, however, were to some extent caught on the horns of a dilemma in trying to persuade the lawyers against coming because we also did not want to open ourselves to the charge that we were denying Sirhan the right to request a lawyer of

his choice, which could include Jordanian lawyers. The Jordan Government could probably state the concern we both shared more effectively than we could. We were both interested in insuring that Sirhan received a fair trial and that no political development enter the picture to prejudice a fair trial. I told him that I hoped that he could state his case as strongly as possible in Amman. He said he would.

He asked me when the trial began. After consulting with Mr. Neuman in L, I informed him by telephone that on June 28 the defendant would have to plead, i.e., guilty, not guilty, etc. According to the law, the trial must begin sixty days after the indictment, which I was informed was around June 6 or 7. This period could be prolonged by agreement between the defense and prosecuting attorneys. I told him that the District Attorney in California ventured the guess that the trial would probably begin one-and-a-half to two months after June 28.

The Ambassador called me subsequently and said that the Jordan Honorary Consul George Zuraykat had contacted Sirhan on June 19. He said the authorities treated the Honorary Consul very well, but the interview resulted in little more than the Consul's finding out that Sirhan was in good health and was being treated well. A satisfactory conversation between the two was prevented because, according to the Jordan Ambassador, there was a glass partition between the Honorary Consul and Sirhan and the Consul had to talk to him by telephone. The Honorary Consul was enjoined that he had to speak in English or the conversation would be cut. The Ambassador wondered if this were normal procedure and if it would have made a difference if a member of his Embassy had tried to talk with Sirhan rather than the Honorary Consul. I told him I was not certain of what the law permitted, although I was somewhat surprised by the restrictions imposed. I told him that I would consult with our Legal Adviser's Office and would call him back.

For the information of the Bureau, Colonel ROBERT F. BAYARD, Fort Benning, Georgia, advised on 7/23/68 that he and the members of his shotgun team attended the Grand Prix de Brno in Brno, Czechoslovakia, during 5/17 and 18/68. On one of those two dates, the head clerk at the Grand Hotel Brno, Czechoslovakia, related to them that Senator ROBERT KENNEDY had been shot in the neck receiving a flesh wound but was in satisfactory condition. This same information was obtained from the head waiter in the dining room who related the same facts. The members of the unit attempted to purchase a German newspaper to ascertain if this could be verified as the original source stated it was heard on the radio. They were unsuccessful in locating it in an East German newspaper that was available in that city in Czechoslovakia and assumed that it was mere rumor.

Colonel BAYARD advised that this information was not obtained from any other sources in Czechoslovakia.

Colonel ROBERT F. BAYARD, Commanding Officer,
U. S. Army, Marksmanship Training Unit, Fort Benning,
Georgia, furnished the following information:

Colonel BAYARD and members of his shotgun team attended the Grand Prix de Brno at Brno, Czechoslovakia, May 17 - 18, 1968. On one of the above dates, the head clerk at the Grand Hotel, Brno, Czechoslovakia, where the members of the team were staying, mentioned that he had heard on the radio news that Senator ROBERT F. KENNEDY had been shot receiving a flesh wound in the neck and that he was in satisfactory condition. The same information was obtained from the head waiter in the dining room of the Grand Hotel.

The members of the unit attempted to purchase some newspaper that they could read to verify the information and the only newspaper available that they could read was an East German newspaper and a review of the newspaper failed to reflect any story concerning the alleged shooting. Colonel BAYARD and the members of his unit assumed that it was just rumor and that it had no factual basis.

Colonel BAYARD had no further information concerning the statements and was unable to furnish the names of the head clerk at the Grand Hotel or the head waiter.

1Date 7/8/68

GERALD BRUNO, Upstate Representative of Senator ROBERT F. KENNEDY, Room 374, Federal Building, Syracuse, New York, advised he was appointed to his present position by the late Senator KENNEDY in 1965. He said that shortly after he arrived in Syracuse, New York, to set up his office, GARY DEDELL introduced himself and advised BRUNO that he, DEDELL, had also applied to Senator KENNEDY for the position of Upstate Representative. DEDELL thereafter offered his help in finding a residence for BRUNO and his family. BRUNO said DEDELL's family operates a printing business in Syracuse, N.Y. and DEDELL came to the office frequently to pass out advertising items such as pens, pencils and the like. BRUNO said he soon came to realize that DEDELL was a name dropper and hanger-on and he avoided him as much as he could and finally he told DEDELL that he should stay away from the office.

BRUNO said that on June 5, 1968, he was at the Good Samaritan Hospital in Los Angeles, California, where Senator KENNEDY was taken after he was shot. Sometime during that day DEDELL called the hospital and asked for BRUNO. The call was answered by PETER SMITH, an advance man for Senator KENNEDY's campaign. DEDELL told SMITH that he was a friend of BRUNO and asked SMITH to find out from BRUNO whether BRUNO wanted DEDELL to bring Mrs. BRUNO and BRUNO's daughter to Los Angeles. BRUNO said this was the first time in about two years that DEDELL had tried to contact him. When SMITH delivered DEDELL's message, BRUNO told SMITH that DEDELL was a name dropper and just a hanger on and to ignore the call.

BRUNO said that his contacts with DEDELL were only casual and he had considered DEDELL to be a pest.

Re Memo of SA AMEDEE O. RICHARDS, JR. dated
7/24/68.

Reference memo indicates an individual by the name of ESTRADA ELIAS DURAN was an employee of the Ambassador Hotel at Los Angeles. The address of 10746 Telfair Avenue, Pacoima, California furnished by the hotel records has been checked out and it was determined that it was not DURAN's nor has he lived at the above address.

Officer MOON of the Ambassador Hotel Security Force advised that a further check of personnel records at the Ambassador Hotel failed to reflect any additional information concerning the identity or location of DURAN. He stated that DURAN had been hired as a "Standby" "Part-time" employee and that on his application and withholding tax statement he did not list even a Social Security Number indicating that he still had to apply for such a number. Officer MOON advised that he had no idea whatsoever how to locate or contact DURAN.

Mrs. ETHEL HEYER, US INS, advised that she could not check her files for anything identifiable with DURAN unless furnished with a birth date or at least a nationality background of the individual.

No further attempts are being made to locate DURAN at the present time.

Re memo SA BILLY B. BENNETT dated 7/9/68.

Mr. WALTER BAKER, Producer, "Tempo" television show, station KHJ-TV, 5515 Melrose, Los Angeles, California, advised on 7/31/68 that the program which was aired on 7/9/68 had Mr. RAYMOND BROSHEARS as a guest. BROSHEARS furnished his telephone number as 591-9004 and BAKER recalled that BROSHEARS mentioned something about residing in the Long Beach, Calif., area.

BAKER said BROSHEARS alleges that he is a minister or reverend and that he belongs to a religious cult that has a psychic doctrine and believes in UFO's. BAKER said BROSHEARS was invited as a guest because of this "far out" belief.

BAKER said that while BROSHEARS was being interviewed a telephone call was received in which the caller asked BROSHEARS if he was not identical with the RAYMOND BROSHEARS who had been arrested for making a threat against the President of the U.S. The caller also asked if BROSHEARS was not acquainted with DAVID FERRIE who recently had been accused by New Orleans District Attorney JM GARRISON of having part in an alleged plot in connection with the assassination of President JOHN F. KENNEDY.

BAKER said the station had no prior knowledge of this information, and indicated that BROSHEARS was "really shook" by the information. He said BROSHEARS admitted, however, that he had known FERRIE. He also admitted that he had been arrested for making threat against the President of the U.S. He stated he had talked with FERRIE, and that FERRIE had told him all about the plot against President KENNEDY. BAKER said he believed BROSHEARS was a homosexual based on appearance and action.

PETE HAMILL

Lieutenant Manuel Pena, Los Angeles Police Department, Los Angeles, California, advised on July 30, 1968 that an article appeared in the June 6, 1968 issue of the "Washington Post" newspaper publication, which was written by Richard Harwood, a Washington Post staff writer.

The article mentions, in part, that one Budd Schulberg and Pete Hamill, neither further identified, were in the immediate proximity of Mrs. Ethel Kennedy on the morning of June 5, 1968 when Senator Robert F. Kennedy was shot in the Ambassador Hotel in Los Angeles.

According to Lieutenant Pena, it has been established that Schulberg was in the Colonial Room of the Ambassador Hotel at the time the shooting took place and not in the immediate proximity of the Kennedy entourage. Accordingly to the Harwood article, it sets forth that Schulberg and Hamill "were a little in front of him (Kennedy). His wife Ethel a few feet behind," in a crowd of campaign workers.

It has been established by the Los Angeles Police Department that Hamill is reportedly currently residing in the Versailles Hotel in Mexico, D.F., Mexico.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

SUBJECT: Sirhan Investigation

1. A usually reliable source whose previous reporting has been accurate revealed to our Beirut representative that on 22 June 1968 Salim LAWZI, publisher of Nawadith, a newspaper in Lebanon, told Anwar JAMAL, Press Counselor and Information Officer of the United Arab Republic (UAR) Embassy in Lebanon, he was obtaining good results in raising funds for the defense of Sirhan SIRHAN, with more Christians than Muslims contributing. LAWZI further said he had met with Shafiq UMBARI, Yusuf SAIGH and Walid KHALIDI to study and organize SIRHAN's defense. They had decided to meet with SIRHAN's father and send "some people from our place" to SIRHAN's brother in Los Angeles to "shake the matter from the name of the SIRHAN family and give it its proper importance on the international plane." They had also decided to tour Arab countries collecting money. LAWZI said he had received promises of 10,000 Lebanese pounds from Kamil ABD-AL-RAHMAN and 5,000 Lebanese pounds from Hani SALEH and expected to collect between 200,000 and 300,000 Lebanese pounds in Lebanon alone. (Note: Approximately three Lebanese pounds equal one U.S. dollar.) LAWZI indicated these activities were not related to those of the Federation of Arab Lawyers.

2. Our files contain the following information on the above individuals:

a. Salim LAWZI, according to a reliable source, is considered by the UAR to be a strong pro-Nasirist--although it is recognized he sometimes strays for opportunistic reasons--and his magazine is considered by the UAR Embassy in Lebanon and Cairo authorities to be the most articulate and important exponent of Nasirism in the Middle East. LAWZI reportedly received a subsidy of about 8,000 Lebanese pounds monthly for this widely read publication from Anwar JAMAL, the UAR Press Counselor noted above. This source states that after the June war, however, LAWZI wrote a series of articles critical of the UAR, and JAMAL and other UAR Embassy officials thought he had turned pro-U.S. JAMAL reportedly was furious with LAWZI. In this connection, LAWZI told another reliable source in September 1967 that he no longer considered himself a Nasirist. LAWZI said Nasir obviously erred in the

way he handled the June 1967 Arab-Israeli crisis, that the swiftness and enormity of the UAR defeat demonstrated the inherent weaknesses in Nasserism, and because of this LAWZI has returned to espousing a more classical brand of Arab nationalism. In addition, in September 1967 LAWZI said he had seen quite a bit of the Soviet Press Attache in Lebanon before the latter was transferred from Lebanon, and that the Press Attache, both before and after the June 1967 crisis, tried to get LAWZI to accept articles for publication in Hawadith, for which LAWZI would be paid. LAWZI implied he refused this offer. It has also been reported by a reliable source that Chinese Communist diplomats from Damascus, Syria have visited the office of Hawadith, reportedly in connection with their subscription to this newspaper.

b. Shafiq UMBARJI was described in 1963 as chief local employee of ARAMCO Overseas Corporation, Beirut; has always been close to Egyptians and prominent Palestinian radicals; is himself a prominent Palestinian Arab politician.

c. Yusuf SAIGH (SAYEGH, SAYIGH) is probably identical with an individual of the same name who is professor of economics at American University of Beirut and who "confessed" Arab Nationalist Movement (ANM) connections to a reliable source in February 1968. SAYEGH participated in a Mid-East Institute conference in Washington, D.C. in early May 1963 and was a delegate to the Palestine Entity Congress held in Jerusalem May 1964.

d. Walid KHALIDI is a professor at American University of Beirut and in 1966 was appointed to the Arab League office in Paris. He was a Leader Grantee to the U. S. in 1959 and taught at Princeton in 1960. In May 1965 he was described as violently anti-U. S. Other information shows he is a very active member of the ANM and was suspected of having connections with British Intelligence.

e. Kamil ABD-AL-RAHMAN is possibly identical with one Kamal ABDUR-RAHMAN who, according to May 1946 information, was a Palestinian partner in the Trading and Contracting Company, Ltd. in Lebanon. He is probably identical with an individual of the same name who, according to January 1968 information, is owner of the CCC Engineering firm in Beirut and is also an ANM leader.

f. Hani SALEM is probably identical with Hani SALAM who in 1959 headed the Middle East Development Corporation in Kuwait. In September 1966 he was described as a civil engineer and vice-president of the newly-formed Bank of Lebanon and Arab World. In November 1967 he was reported to be on the Board of Directors of Intra Bank in Lebanon and president of Doha Company (Real Estate Development Company)

This is in reference to your memorandum dated June 14, 1968, inquiring as to whether steps should be taken by the Bureau to arrange an interview of Mrs. Ethel Kennedy by agents of the Federal Bureau of Investigation.

We understand that Los Angeles Assistant District Attorney John Howard and Sergeants Patchett and MacArthur of the Los Angeles Police Department have been in touch with a representative of the Kennedy family to arrange an interview in connection with their investigation of the pending prosecution in Los Angeles of the suspected assassin, Sirhan Bishara Sirhan. Referenced memo reflects that a Hollywood Park auto parking ticket No. 59600 was located in the car belonging to SIRHAN BISHARA SIRHAN after the assassination of Senator ROBERT F. KENNEDY.

On 7/24/68, Mr. ANTHONY TREEBOW, Operations Office, Hollywood Park Race Track, advised that he was unable to determine by the number alone the date or approximate date when the above numbered parking ticket was used. It is suggested that SA R.L. LA JEUNESSE, JR. contact the Los Angeles Police Department, who is in possession of the original parking ticket above described and will determine what further investigation they have conducted concerning this matter and obtain further identifying data concerning the parking ticket.

The referenced memo also makes reference to a Richfield Credit Card which was found in the vehicle belonging to SIRHAN. On 7/24/68, information concerning this receipt was furnished to Mr. FRANK EVANS, Security Officer, Richfield Oil Company, Los Angeles, California, and he advised that the files of that company reflected no credit card issued to the name of SIRHAN BISHARA SIRHAN. On 7-24-68, ROBERT C. JENSEN reportedly said that KENNEDY would be killed and that he would never get into office. JENSEN did not mention what meetings he had attended or where the meetings were held. CALLAHAN said JENSEN had been drinking, he (CALLAHAN) had never met him before and there was some discussion concerning JENSEN's comments among the people present. CALLAHAN advised that FRANK GOODPASTURE, JR., Goodpasture Motor Company, Bristol, Va., as well as a man from Nashville, Tenn., and one from Ohio, who may have heard the comments of JENSEN. On 7-25-68, FRANK GOODPASTURE, JR., Goodpasture Motor Company, Bristol, Va., advised he has known JOHN A. JENSEN, aka "Buddy," General Motor Service and Truck Company, 386 State Street Extension, Fairfield, Conn., since 1959 and he has always found him to be a person of high morals, character and reputation. He said he attended the dinner at the Americana Hotel, Miami Beach, Fla., during the conference of the National Automobile Dealer Association, truck meeting, that JOHN A. JENSEN was present and he heard JENSEN was making remarks concerning segregation, however, since the remarks were not made to him, he could not recall any definite statements he may have made. He gathered from the remarks that JENSEN had some feelings regarding segregation as there had apparently been some trouble in Fairfield, Conn. He did not feel that JENSEN meant anything by his remarks and he put no significance in them, as he had been drinking. He recalled that ARTHUR IRWIN, Irwin GMC Inc., GMC dealer, Lima, Ohio, was present, as well as BILL WILSON, General Truck Sales, Murfreesboro Road, Nashville, Tenn., and ROBERT C. CALLAHAN, Goode Motor Co., Bristol, Tenn. After the meeting he, WILSON and IRWIN made a trip to Jamaica and they discussed the remarks of JENSEN and they put no significance to them. He said that if JENSEN is contacted he is sure he could explain his remarks.

Police Call Saidallah's Story No Hoax

Sirhan's Brother Tells of Shooting Night

By J. ROBERT SMITH

Staff Writer

(c) 1968 The Pasadena Independent
Star-News

The circumstances preceding the July 3 early morning shooting at Saidallah Bishara Sirhan, 36, of Pasadena, have been revealed for the first time in an exclusive interview with Saidallah by this newspaper.

Saidallah is the brother of Sirhan Bishara Sirhan, 24, also of Pasadena, who is charged

with the assassination of Sen. Robert F. Kennedy last June 5.

Saidallah had reported to Pasadena police who have since agreed, that he was shot at while driving the Pasadena Freeway early July 3.

Pasadena Chief of Police Samuel H. Addis told this newspaper that "based upon the facts that we have now, there is nothing to indicate that the incident is a hoax. I believe it did happen."

In the interview, Saidallah said that the Pasadena police had given him a very rigid lie detector test. Lt. Gerald E. Wright, head of the detective bureau, verified the giving of the test, but refused to tell its result.

Saidallah also said that he was given a similar test by Enrique Hernandez of the Los Angeles Police Department. The result also is undisclosed because Hernandez took refuge

under a court order which he said prevented him from talking about the test.

Discrepancies in released reports prompted this newspaper to seek Saidallah in an effort to determine what actually happened that early morning.

This is his story, in the words in which he replied to questions asked:

"I wanted to meet Liza Williams, a columnist on the Free Press. She writes a column called

'Grey Power.' I read it every week. I met her at David Saidallah's Shop, 68 N. Fair Oaks Ave., about three months ago.

"I wanted to consult with her about the laws of publishing regarding reporters using my name for exploitation in any document.

"I phoned the Pasadena Free Press office and asked for her address the night before the shooting, and they gave me an address such as 92 Fairfax, Los Angeles.

("The address listed in the paper's masthead is 938 N. Fairfax, Los Angeles.)

"The Pasadena office also told me if I wanted more information to call the Hollywood Free Press. I was told that it was located at 65 something

street. The name sounded like a Spanish term.

"Early the next morning, about four o'clock I went to find her to avoid the traffic and exposing myself to the public during the day in an area that I am not familiar with.

"After being in that area for a while and not finding what I was looking for, I decided to come back home.

"I took Beverly Boulevard to Hill Street and on into the Pasadena Freeway where I encountered the Chevrolet and the Volkswagen bus. There were three people in the Chevrolet, and four in the Volkswagen.

"I still want to talk to Miss Williams."

Shooting Episode

Saidallah then told of the shooting episode which substantially corresponded with the report of the incident released by police. He said the Chevrolet and Volkswagen bus were the vehicles that pursued him on the freeway when the two shots coming from the bus were fired at him.

He said the entire trip from Pasadena and back took about one-and-a-half hours.

Asked whether he was given a lie detector test by police, Saidallah replied, "The Pasadena police gave me a lie detector test similar to a third degree about 9:30 that morning, and I was also given another in Los Angeles by Mr. Hernandez about three to five days later."

POLICE RILE SIRHAN BROTHER—Saidallah Bishara Sirhan accuses Pasadena policeman Ben Hetherington (left) of trying to force him to admit that he did the shooting at his own car which he reported July 3 as being done by men in a car which followed his auto early that morning on the Pasadena Freeway.

This newspaper asked Lt. Wright whether Saidallah was given the test, and he admitted it. Asked what was the result, Wright replied, "We do not discuss that." He also refused to tell who gave the test. Saidallah said it was a sergeant whose name he did not remember.

When asked this question, "Since you have said Saidallah did not do the shooting, after he was given a polygraph test, is it not evident then that the test cleared him?" to which Wright replied, "No comment."

In an interview Chief Addis said, "Based upon the facts that we have now, there is nothing to indicate that it is a hoax. I believe the shooting did happen."

The following is the question and answer interview with Addis and Lt. Wright:

What is the status of the alleged shooting incident?

Wright: We have made a full investigation of it. Nothing has turned up for us to hang our hats on or get a suspect. We cannot come up with anything to disprove this man's story.

Do you think that the alleged incident might be connected with the assassination?

Wright: No, not at all.

Regarding the shots being fired and Sirhan slumping aside, do you believe that?

Wright: I have to believe that.

Why do you have to believe that?

Wright: If I said I didn't believe it, I could not answer the next question you would ask, namely: Why?

(Lt. Wright then explained his personal investigation into the trajectory of the projectile coming from the location described by Saidallah. He said that his story made sense.)

Wright: We recreated the incident. It is very possible he was shot at from the Volkswagen.

Los Angeles detectives are reported to be also working on the case. Have they come up with anything?

Wright: No.

Have you learned what Saidallah was really doing in Los Angeles so early that morning?

Wright: Just what he said about looking for a woman reporter on the Free Press down on 92nd or 93rd Street.

Are you convinced and satisfied beyond a reasonable doubt that the incident did happen?

Addis: I cannot say that. In cases of this kind we are never convinced or satisfied until the

facts wholly support our conviction or satisfaction, that it either happened or did not happen, but based upon the facts we have now, I think it happened.

Then you believe his story?

Addis: I have to.

If it were not for Judge Alarcon's court order, could you tell more:

Addis: No.

Is this case considered closed?

Addis: No. It is open until either we arrest the people who did it, or prove it never happened. Until then, we will have someone assigned to it.

Saidallah complained that an FBI agent and Pasadena policeman Ben Hetherington tried to treat him like a "mendicant." "They wanted me to say that I did the shooting myself, and that FBI man searched my home looking for guns without a search warrant. He was very nasty," Saidallah related.

(Mount Clipping in Space Below)

Police Rebut Statements By Sirhan

Pasadena police officials, who gave Saidallah B. Sirhan round-the-clock protection after he said shots were fired at him, today rebutted Sirhan's remarks that he was subjected to a "third degree" and an illegal search.

Saidallah, brother of Sirhan B. Sirhan, the accused assassin of Sen. Robert F. Kennedy, said the police gave him a lie detector test "similar to a third degree about 9:30" the morning of the shots.

"The polygraph test came in the afternoon after routine questioning," replied Lt. Gerald E. Wright, of the investigative section. "We do not use the 'third degree.'"

The "third degree" refers to quizzing accompanied by physical maltreatment of the subject.

Saidallah complained that after the July 3 incident, his home was searched by an "FBI man ... without a search warrant" and that Saidallah was subjected to insult.

"We do not know of any FBI man being involved," said Lt. Wright. "Saidallah gave me his personal permission for our Sgt. Ben Hetherington and a Los Angeles detective to go with him to his house to look for evidence."

POSSIBLE THREAT AGAINST ROBERT
F. KENNEDY, PRESIDENTIAL CANDIDATE,
SPEECH AT CHULA VISTA, CALIFORNIA,
MAY 20, 1968

On May 20, 1968, THOMAS E. JOHNSON, San Diego County Sheriff's Office, El Cajon Substation, telephonically contacted the San Diego Office of the Federal Bureau of Investigation and furnished the following information:

JOHNSON advised that he had been contacted by a fourteen-year-old boy named KEITH KING, 781 Monserate Avenue, Chula Vista, California. KING told him that while he was getting ready to leave the area in front of the Chula Vista library where ROBERT F. KENNEDY had just spoke, he was approached by a man who resembled JAMES EARL RAY. This man asked KEITH where and when KENNEDY was to speak again. When told that he did not know where and when KENNEDY was to speak, this individual then asked him the location of a good place to eat with a telephone. KING felt that the man with whom he spoke looked very similar to a photograph of JAMES EARL RAY appearing in a recent issue of the Chula Vista "Star News."

Mr. WILLIAM DOBREVIR, "Citizens for Kennedy," KENNEDY Campaign Headquarters, San Diego, California, was contacted on May 20, 1968, at which time he advised that ROBERT F. KENNEDY had departed the San Diego, California, area en route to Los Angeles, California.

Mr. DOBREVIR was advised of the information furnished by KEITH KING and he stated that he would relay this information to the KENNEDY Campaign Headquarters at Los Angeles, California.

Deputy Sheriff THOMAS E. JOHNSON, San Diego County Sheriff's Office, El Cajon Substation, El Cajon, California, was recontacted on May 21, 1968 and advised that he had no further information to relate concerning information furnished to him by KEITH KING, except to state that KING resides in his immediate neighborhood and considers him a highly reliable young man.

KEITH KING, 781 Monserate Avenue, Chula Vista, California, was interviewed on May 21, 1968 and he advised as follows:

KING had occasion to be present at the campaign speech of ROBERT F. KENNEDY at the Civic Center, Chula Vista, California, on May 20, 1968. A short time after the speech by Mr. KENNEDY ended, which was then approximately 5:20 to 5:30 p.m., an individual closely resembling JAMES EARL RAY approached him and asked him if KENNEDY had made his speech yet. When told that he had, this individual appeared surprised and then asked where KENNEDY was going to speak next.

KING stated that he had a schedule of Mr. KENNEDY's appearances in the San Diego area and told this individual that his next appearance would be at San Ysidro, California.

This individual asked KING where there was a good place to eat where he could obtain a telephone. He also asked him if there was a telegraph office in San Ysidro, to which KING replied he could not furnish this information as he did not know.

KING described this individual as approximately forty years of age, white, male, American, five feet eight inches to five feet nine inches, 160 to 170 pounds, hair medium brown, complexion fair to medium, wearing a blue coat, light-colored slacks and brown shoes.

KING advised that prior to seeing this individual he had read an article in the Chula Vista "Star News"

concerning JAMES EARL RAY, which also had a photograph of RAY in the paper. According to KING, the individual who contacted him at Chula Vista closely resembled JAMES EARL RAY.

On May 21, 1968, Mrs. ELSIE ZUNIGA, Manager, Western Union Office, San Ysidro, California, advised she usually closes the Western Union office at 5:00 p.m. on a daily basis; however, on May 20, 1968 she closed the office at 4:45 p.m. in order to go to the campaign speech of ROBERT F. KENNEDY.

Photographs of JAMES EARL RAY were displayed to Mrs. ZUNIGA and she advised that she has not seen anyone fitting his description in the San Ysidro, California, area.

~~SECRET~~-NO FOREIGN DISSEMINATION

John M. Laurence, also known as
John M. Lawrence
Registration Act-Middle East

On July 2, 1968, a confidential source who has furnished reliable information in the past advised that the subject, who identified himself as the Executive Secretary of the "Organizing Committee for Clemency for Sirhan", 57 West Tenth Street, New York, New York, advised the Tass News Agency, the official news agency for the Soviet Government, that his organization is a pro-Arab American group. He added that his group consists of Abdeen Jabara of Detroit, Michigan, George Mahshie of Syracuse, New York, Frank Sakran of Mechanicsville, Maryland, Reverend Gregory Aboud of Brooklyn, New York, a building contractor named Mazhetiah of Brooklyn, New York, and others. [S]u

A flier entitled "Organizing Committee for Clemency for Sirhan," 57 West Tenth Street, New York, New York, telephone number 212 Gramercy 7-1826 reflects that John M. Lawrence is the Executive Secretary, Abdeen Jabara, 1217 First National Building, Detroit, Michigan, is the Attorney, and Al Matthews, 14416 Victory Boulevard, Van Nuys, California, is the Associate Counsel. This flier bears a picture of Sirhan and refers to him as Sirhan B. Sirhan, Palestinian Arab refugee. This flier states, "If death is to be the penalty for Sirhan's misguided political act, then what penalty shall world justice and Arab military might deal out for the genocidal massacres and exiling of Palestinian Arabs from their native land?"

"Let us not repeat the fault of the pre-Civil War hanging of John Brown. The trial of murder and killing will end where a merciful understanding, and humane forms of retribution are employed."

Investigation of the subject reflects that he resides at 57 West Tenth Street, New York, and that he is the President of the Federated Americans Against Israeli Racism, Incorporated (FAIR) and that his wife is the Secretary and Treasurer of this corporation. The address of this corporation is 57 West Tenth Street, New York, New York.

It was determined that this corporation does not have any meetings and has no other members other than the subject and his wife, Marjorie Lawrence, nee Friedlander.

In October, 1967, it was determined that the purpose of this organization was to obtain information from the Arab Information Center, New York, New York, and to sell these pamphlets on stands which are operated by the subject.

On June 1, 1968, Harry G. Kaplan, Detective Lieutenant, Nassau County Police Department, Mineola, New York, furnished the identification record of John M. Lawrence, born December 4, 1921 and who is also known as John L. Pawluk. This record reflects information set out in the identification record of the Federal Bureau of Investigation (FBI).

~~SECRET~~ - NO FOREIGN DISSEMINATION

JENINE PARR, Patient Records Section, Colorado State Hospital (CSH), summarized information from the Cardex and Patient File concerning patient JOHN M. LAWRENCE, also known as JOHN LAWRENCE PAWLUK and JOHN L. PAWLUK, as follows:

LAWRENCE was born [REDACTED] and also furnished 1931 as the year he was born. He was born at Fort Worth, Texas and is described as follows:

Height	5' 8"
Weight	155
Hair	Brown
Eyes	Blue
Complexion	Ruddy
Scars and Marks	None
FBI Number	4385647
Denver Police Department Number	100600

LAWRENCE was committed on May 8, 1962, in Denver County Court, their number P-27006, and was admitted to the CSH on May 10, 1962.

He was thereafter on special leave from the CSH to appear in Denver District Court and at the Denver General Hospital, Denver, Colorado, for trial and safekeeping purposes on several occasions prior to discharge from the CSH on August 23, 1962. His discharge from the CSH was based on mental condition of "Improved" under special conditions of the court order.

The Denver County Court entered an order on July 18, 1962, in their matter No. P-7006, setting forth that the jury returned the verdict that "Respondent does not, by reason of mental illness, lack sufficient control, judgment and discretion to manage own property or affairs...sufficient to require confinement for his own welfare or welfare and safety of others".

The court then ordered the defendant discharged as to mental action. The CSH file indicates, however, that the defendant was returned to jail at Denver, Colorado, for Contempt of Court.

Original Medical Commission findings of May 8, 1962, at Denver, identified Dr. ROBERT L. SHERE, and Dr. L. E. DANIELS as having reached a diagnosis of "Hypomaniac psychosis with paranoid mechanisms", which results in the court ordering LAWRENCE sent to the CSH.

JOHN L. GRIFFITH, Esq. appears to have been the court-appointed attorney for the respondent, LAWRENCE, in the sanity matter.

During confinement at the CSH, LAWRENCE was diagnosed on presentment to staff conference May 16, 1962, by Dr. BIYIKSEZOGLAR, CSH, Pueblo, as "Schizophrenic reaction, paranoid-type 000 X 24".

Relatives appear as follows:

(with notation "All matters handled by this brother")

Sister

Mrs. IVAN B. (OLGA) BELL

51 West Olive (and then

CSH file Narrative Section sets out that LAWRENCE came to the attention of the Denver County Court as a result of Vagrancy and Disturbance of the Peace at Denver, Colorado.

LAWRENCE basically refused to provide background or history to the CSH, but stated he was arrested in 1942 on a draft card violation and in 1949 for being drunk in Los Angeles.

CSH files contain lengthy Denver General Hospital Discharge Summary, dated May 10, 1962, which includes data that LAWRENCE turned out numerous legal petitions and directed voluminous letters to persons in high places, such as Chief Justice WARREN and ROBERT KENNEDY. He mentioned things he had done in New York against great political and legal odds. He had expertise on a number of fields, including law, especially constitutional law, and civil liberties law. He eventually asserted he had never been in law school or a member of any bar. The description of his activity in legal work was indistinguishable from that of a special attorney. He was born to a Russian immigrant family, and he has been a crusader who was in frequent contact with authority on all levels.

The CSH file indicates that LAWRENCE was a psychopathic patient in an unidentified hospital, San Diego, California, in approximately March, 1949.

In addition to the Cardex and General Patient file, information summarized above from the CSH, Pueblo, Colorado, possesses voluminous "Special Confidential Files" on LAWRENCE, principally relating to U. S. District Court, Denver, Colorado, Civil Action No. 8112, in a 1963 case involving JOHN M. LAWRENCE, Plaintiff, pro se, Vs. RICHARD BATTERSON, ET AL, with numerous additional defendants, including Dr. WILLIS BOWER, former superintendent of the CSH, Pueblo, who filed to recover damages in redress for deprivation, denial of equal protection under color of law of the rights of the plaintiff, growing out of an alleged restraint of his liberty, resulting in imprisonment and confinement against his will.

Honorable
Mr. Ted Hinderaker

With all respect I direct myself to you to tell you the following.

By a world agreement, they are supporting the politics of the National Revolutionary Liberation Party.

This is the head of all movements of a political nature that are against Americans. Their plan is to use youths as propaganda for war, and they are deceiving you with a traitor's politics.

In my way of thinking they are not agreeable to make war to get them out of _____.

To the contrary, God has revealed to me the end and the time that God is going to give you, the Americans.

Sincerely,

On 7/22/68, HENRY CHARLES FREDERICKS, aka Hank, Draftsman, General Electric, Rome, Georgia, home address 1901 Dean Street, Rome, Georgia, Roy's Trailer Park, telephonically contacted SA WILLIAM K. PATTON advising he wished to inform the FBI that he had written a letter to SIRHAN B. SIRHAN, the assassin of Senator KENNEDY as he felt sorry for him as a human but did not condone what he did. He said he had put the letter in an unsealed envelope and enclosed it in a letter to the Chief of Police of the Los Angeles, California PD, asking the COP to furnish his letter to SIRHAN if they were allowed to do so. He claimed the contents were of a general conversational nature and mentioned nothing of what he had done.

FREDERICKS advised he was informing the FBI of his writing this letter as he felt the FBI at Rome, Georgia, would receive an inquiry concerning him.

This is being submitted to Los Angeles in the event FREDERICKS' letter is received by the local authorities.

Enclosed herewith is one xeroxed copy of a letter dated 7/9/68, from the Chicago State Hospital, Chicago, Illinois, directed to ROBERT A. HOUGHTON, Deputy Chief of Police, Los Angeles, California, Police Department (LAPD).

This letter, which is self-explanatory, pertains to one NORMAN SYDNEY WEXLER, who has been assigned FBI Number 486 535 A. The letter is in response to a previous letter directed to the Chicago State Hospital by the LAPD requesting medical records regarding treatment received by WEXLER when a patient at that institution.

For information of Chicago, WEXLER is not being considered as a participant in captioned investigation. However, following the assassination of Senator KENNEDY, WEXLER paraded in front of Universal Studios in Hollywood carrying a sign commenting on the death of KENNEDY and setting forth that DARRYL ZANUCK "would be next", or words to that effect. LAPD desirous of establishing sufficient background on WEXLER to establish him as a "psycho". It is not anticipated that this information will be used for prosecutive purposes or made available to the public or news media.

Gentlemen:

I want to report something confidential:

We own an Apt. Bldg., located at 7336 Fountain, West Hollywood. A young man by the name of Frank Abdala had rented a Single Apt. (# 10) in that bldg. from last May 27 to June 27. He said he came here many years ago from Egypt and that he was employed at the Ambassador Hotel (We didn't check.) As an excuse for moving out so soon, he said that he was going to work out-of-town ("somewhere in the mountains"), although he gave "General Delivery, Hollywood" as his forwarding address. The rent check he gave us for one month in advance, was properly signed Frank Abdala and drawn on a North Hollyw'd Bank. He was tinkering with his car most of the time, behaving normally otherwise.

We have now received an electric bill for a Brashear, Lawrence, Apt. 10 - a name entirely unknown to us. The similarity of this name with the middle name of Sirhan B. Sirhan arises our suspicion. (It may also be a false alarm).

Sincerely yours,

EDWIN ALBAN

RE JOSE A. PEREZ CUESTA

On 7/23/68, Investigator JAMES BUSSELLE, Immigration and Naturalization Service (INS), advised SA R.J. LA JEUNESSE, JR. that he had conducted a search of their central indices in Washington, D.C. concerning JOSE A. PEREZ CUESTA. No one by that name was mentioned in their Central Office indices, however, there was a JOSE ANTONIO PEREZ of the Dominican Republic, who was issued a Dominican Republic passport No. 183382 in February 1967. That individual subsequently was granted a B-2 (non-immigrant visitor's visa) No. 016120 by the American Embassy in the Dominican Republic, which permitted him to enter the United States. He subsequently entered the United States at San Juan, Puerto Rico, on 2/25/67, and thereafter took up residence in New York City where he remained until he left the United States on 10/14/67, as a "volunteer departee" at the request of the United States Government. During his residence in the United States, he lived at 971 Kelly Street, Bronx, New York, Apartment 1E. He was employed by the Empire State Display Company, 718 Broadway, New York City, from June 1967 until his departure from the United States.

INS files reflected his residence in the Dominican Republic was Calle Emilio Prudonme #24, San Pedro De Macoris. His father was indicated to be AUGUSTINE PEREZ (deceased) and his mother, ELSA PEREZ, of the Dominican Republic.

By way of physical description, the following information is contained in the file:

Enclosed herewith are five copies and one original of a letterhead memorandum regarding one, JOSE A. PEREZ QUESTA.

The information contained in the letterhead memorandum was furnished to SA R. J. LA JEUNESSE, JR., on 7/19/68 by Chief GEORGE STONER, of the Los Angeles County District Attorney's Office, Bureau of Investigation, 524 North Spring Street, Los Angeles, California.

Mr. STONER explained that the Honorable EVELLE J. YOUNGER, District Attorney for Los Angeles County, received a letter from Mr. THOMAS C. LYNCH, Attorney General for the State of California, dated 7/15/68. In his letter to Mr. YOUNGER, Mr. LYNCH included a letter bearing a date of 6/16/68 from one, JOSE A. PEREZ QUESTA of Calle Maria B. Sanchez, Number 46, Enriquillo, Dominican Republic. In the letter, PEREZ sets forth a personal desire in his part to personally confront SIRHAN BISHARA SIRHAN in personal combat for the purpose of killing him.

Mr. STONER advised that the letter was referred to the Office of the Los Angeles County District Attorney because SIRHAN will be prosecuted within the jurisdiction of that agency. In view of the Dominican Republic residence of PEREZ, this office does not anticipate conducting any investigation with respect to this letter. He advised, however, that it was desirable that the Bureau be advised and that perhaps appropriate authority to the Dominican Republic could be alerted, in the event PEREZ attempted to obtain permission to enter the United States.

Mr. Lynch forwarded to the Office of the Los Angeles County District Attorney, a letter handwritten in Spanish, dated June 15, 1968 from Enriquillo, Dominican Republic. The letter states that the writer, Jose A. Perez Questa extends his greetings to the Attorney General of California and requests his assistance in "something very important which must be said". The writer of the letter states, "I want to kill Sirhan Bishara Sirhan. I want to fight hand to hand with this Jordanian devil". The writer of the letter goes on to state that he desires an opportunity to "give what he deserves to this cowardly assassin". The letter continues stating that the writer would like to "confront him on the battle field, fist to fist with this dirty assassin in order to hit him strongly with my fist and after killing him to take him apart piece by piece with my teeth and if it is possible to eat him also because this dirty Jordanian does not deserve a different death since Sirhan Bishara Sirhan took the life of an idealistic man and humanitarian as Robert F. The writer of the letter again repeats his desire as set forth above and requests the assistance of Mr. Lynch in helping him to ask the authorities of the Government of the United States, "to see if they can authorize such a thing". The writer of the letter closes by saying,

Facts of complaint

C said he had called the LAPD several weeks ago to report the following, however, he guessed they did nothing about it. He said he formerly lived at 425 S. Alexandria, which is near the Ambassador Hotel. He said on the night of the KENNEDY shooting he had been at his apartment. He said hearing some commotion he went outside about 12-25pm that ~~xxx~~ night and observed a blonde headed fellow ~~running~~ between Sixth and Wilshire. He entered a red MG or Triumph and sped away up Alexandria Street. He said this man was young and looked to be about 6'2" tall. He said almost simultaneously another shorter, (5'6-7") dark haired man also came running up Alexandria and entered the apartment building located at 526 S. Alexandria.

C said he realizes the above incidents might be coincidental, however it was a published fact that SIRHANS car was found on Alexandria. Further the time is relative (12-25pm) wherein it would be conceivable that these ~~nightmen~~ men might have been fleeing the shooting scene. In any event, he felt it should be reported.

C was advised his call would be made a matter of record.
